Thurgood Marshall Academy Driving Principles

These are the principles of our school culture and beliefs by which all members of Thurgood Marshall Academy Public Charter High School community are expected to act.

I. Community

- We believe that students belong to multiple communities—educational, familial, cultural, national, and global—each with its own benefits and responsibilities.
- We believe that a learning community in which all students and staff thrive requires genuine respect among all members.
- We believe that justice is a key component of a healthy community, and practicing justice in our school prepares us to pursue it elsewhere.
- We believe that Thurgood Marshall Academy should be an active, just, and respectful member of the Ward 8 community.

II. Diversity

- We believe that a rich education promotes the respect of multiple perspectives and experiences.
- We believe that in order to meet the needs of each community member and create opportunities for success, we must respect that individuals learn and demonstrate learning in different ways.

III. Democracy/Participation

- We believe that our school reflects democratic principles of fairness, due process, equality, and justice.
- We believe that when we are decision-makers in our educational and social experiences we become agents of change in our own communities.
- We believe that preparation for post-secondary education demands that we integrate elements of a liberal education—science, the creative arts, mathematics, technology, and the humanities—in order to possess the skills to understand and influence our world.
- We believe that with the privilege of being a citizen of this community comes the charge of service and responsibility.

IV. Excellence

- We believe that excellence requires passion, focus, and commitment.
- We believe that when we are confronted with high expectations, challenged with meaningful work, and provided with appropriate tools, the best is brought out of each of us.
- We believe that true learning occurs when we question, investigate, and evaluate ideas.
- We believe that genuine growth requires constant reflection.
Policies

Acceptable Computer Use Policy

The use of computers at Thurgood Marshall Academy offers opportunities for students to access the Internet and a subscription research database, as well as word processing, in order to enhance educational goals and objectives. Use of equipment in the computer lab, classrooms, and library is a privilege to the user and entails responsibility. The smooth operation of the networked and non-networked computers relies upon the proper conduct of users, who must adhere to guidelines for efficient, careful, ethical, and legal utilization of the resources. These guidelines are set forth in the Acceptable Use Policy, which outlines Thurgood Marshall Academy’s expectations for and the responsibilities of the computer user. Students and families must complete an acceptable use form in order to be able to use school computers and forms are provided during registration. The Acceptable Use Policy is available for review in the Appendix.

Advisory

The advisory program provides additional support and mentoring for students. At the beginning of each school year, small groups of students are assigned to faculty advisors. Weekly Advisory meetings include team building exercises, individual guidance, character education, and other enrichment activities.

Assembly Program Guidelines

- Students will leave their books in their Advisory classrooms.
- Students will enter the meeting room with their advisors in a quiet and orderly fashion.
- Students will sit in the seats assigned to their Advisory unless otherwise instructed by an adult.
- Students will sit as far down the row as possible, so that others may easily find a seat.
- Students will remain quiet throughout the entire program except when an audience response is requested by a speaker.
- Students will remain seated until directed by their advisor to stand and exit.
- Students who demonstrate an unwillingness or inability to participate in the assembly prior to the beginning of the program will be removed from the assembly.
- Students placed on the banned list for behavior may not be eligible to attend assembly.

Attendance at Thurgood Marshall Academy Events

Currently enrolled Thurgood Marshall Academy students are permitted to attend school-related events without the presence of a parent or guardian. Individuals under the age of 18 who are not currently enrolled students at Thurgood Marshall Academy are not permitted to attend any Thurgood Marshall Academy events unless accompanied by a parent or guardian. Students under the age of 18 may attend special events including but not limited to prom, graduation, and other
as warranted by Administration without a parent/guardian if they have met the criteria established by the Administration for the specific event. Any current student who is serving an Out-of-School Suspension is not permitted to attend any Thurgood Marshall Academy event while serving the suspension. Unless otherwise noted in the final disciplinary action, any student who has been expelled from Thurgood Marshall Academy is prohibited from attending Thurgood Marshall Academy events on- or off-campus.

**Backpacks and Book Bags**

Backpacks, book bags, and bags of any kind **may not** be worn or carried throughout the school day. Students must store their backpacks and bags in their lockers. Students may carry a small purse that is **no larger** than the size of a shoebox and cannot fit a textbook. Phones may not be stored in any purse taken to class and must be stored in the student’s locker.

**Bathroom & Changing Room Access**

Pursuant to District of Columbia laws, non-cisgender individuals may claim access to bathroom and changing rooms based on gender identification. Individuals desiring accommodations may contact a grade-level dean, Head of School, or Executive Director to discuss available options.

**Board of Trustees- Open Meetings**

Thurgood Marshall Academy’s Board of Trustees primarily serves as a governing board, with responsibilities focusing on executive and financial oversight. Our Board is comprised of parents and professionals in the legal and corporate communities who are committed to working together to fulfill the mission of the school. The Board thinks and acts strategically, and maintains appropriate and constructive relations with parents, students, staff, the community, and with each other in the interest of serving the needs of the students. Meetings are open to the public and held quarterly each year, with an annual meeting in May. Meeting dates and locations are posted on the school website. For more information about how to attend a meeting, please contact Giselle Pole at gpole@tmapchs.org.

**Breakfast**

Thurgood Marshall Academy serves breakfast between the hours of 8:00 am and 8:30 am. A la carte breakfast is available for students who arrive after 8:30 am. There is no cost associated with breakfast.

**Building Hours**

Thurgood Marshall Academy is open and available to students as much as possible. As a general principle, following dismissal of regular classes, students are encouraged to use the school building for learning and extra-curricular purposes.
During the school year, the building opens at 8:00 am for breakfast. Students may not enter the building before 8:00 am each morning. Students who arrive before 8:35 am must report to the cafeteria. Students are not allowed anywhere else in the building before 8:35 am unless they have a signed pass from a teacher or staff member or are under the direct supervision of an adult.

On Mondays, Wednesdays, Thursdays, and Fridays, students are dismissed at 3:30 pm. On noted half-days, students are dismissed at noon and there will be no after school clubs or activities to allow for teacher professional development. If a student chooses, or is otherwise required, to stay after school, s/he must be under the supervision of an adult by 3:45 pm or s/he must leave for the day.

On Tuesdays, students are dismissed at 4:00 pm. If a student chooses, or is otherwise required, to stay after school on a Tuesday, s/he must be under the supervision of an adult by 4:15 pm or s/he must leave for the day.

All students must be out of the building by 6:30 pm Monday through Thursday, unless they are under the direct supervision of a Thurgood Marshall Academy faculty or staff member or there is a special event taking place. All students must be out of the building by 6:00 pm on Fridays, unless they are under the direct supervision of a Thurgood Marshall Academy faculty or staff member or there is a special event taking place. Students who do not comply with these policies will be asked to leave the building and may suffer disciplinary consequences if there is a violation of the Code of Conduct.

**Cafeteria Expectations**

All students must follow the posted cafeteria rules at breakfast, lunch, and after school.

**Changes to Thurgood Marshall Academy Policies**

Thurgood Marshall Academy policies may be added or amended during the current school year. Any major policy changes will be communicated to students and their families in writing.

**College Counseling**

Thurgood Marshall Academy prepares students for college. Students in all grade levels are exposed to college preparation activities. The College Counseling team provides assistance to students and families during the application process for admission and financial aid, including scholarships. College counseling supplements what students do in their everyday classes, which provide the skills needed to succeed in college.

**Community Service**
Every student must complete 100 hours of community service in order to be eligible for a diploma in the District of Columbia. Community service refers to service that a person performs for the benefit of his or her community. These services are designed to improve the quality of life for community residents or to solve particular problems related to their needs. To be considered community service, an activity must be:

- Completed at a 501c3 nonprofit institution or government agency;
- Performed for no pay;
- Beneficial to at least one other person and the larger community;
- Separate from a service activity for which the student is already receiving school credit or those mandated by a court or school disciplinary action.

Examples of activities that meet the community service definition include (but are not limited to):

- Working as a teacher’s aide or office assistant
- Shelving books in the library
- Working in any capacity at a nonprofit organization
- Cleaning up the school on a Saturday
- Helping at a local fire or police department
- Sorting food at the food bank
- Serving meals at a homeless shelter

Volunteer hours must be completed at either a 501c3 non-profit organization or government agency. Students may not receive any pay for volunteer hours. Please refer to the Graduation Requirements for specific community service requirements at Thurgood Marshall Academy. Specifically, for portfolio targets towards the graduation requirement:

- By May 15th of 9th grade, students must have completed 20 hours.
- By May 15th of 10th grade, students must have completed 40 hours.
- By May 15th of 11th grade, students must have completed 70 hours.
- Students must complete one hundred (100) hours by May 15 of their graduation year.

**Condom Availability Policy**

The Condom Availability Policy was first established within the Department of Health’s (DOH) Adolescent AIDS Prevention Program (AAP) in 1992. Implementation of the policy began in 1992 throughout the District of Columbia public high schools. This policy is designed to help prevent the spread of HIV/Sexually Transmitted Diseases (STDs) and reduce the incidence of unintentional pregnancies among youth. Since the inception of the policy, the Department of Health (DOH) has worked in partnership with public senior high schools to ensure that student education, counseling, and condom distribution services are available to all students who attend high schools with nurses supported by the DOH.
Because Thurgood Marshall Academy is a public high school, the Condom Availability Policy is implemented. Condoms are available to Thurgood Marshall Academy students based on the Condom Availability Policy through the school nurse, clinical counselor, health teacher, and student Deans.

The District of Columbia DOH, within its Disease Prevention Program, offers education, counseling, and the distribution of barrier methods, including condoms and dental dams to aid in preventing sexually transmitted diseases and pregnancy. Laboratory studies show that when used consistently and correctly condoms are effective in reducing the risk of HIV infection. Condoms are also effective in preventing the transmission of other STDs, hepatitis, and pregnancy.

Disease Prevention Program Implementation

Thurgood Marshall Academy staff authorized to give out condoms will receive annual training on the most recent, medically accurate barrier technology. Information provided in this training will be factual, evidence-based, current, and shall demonstrate sensitivity to the cultural and sexual diversity of students.

Education, Counseling, and Condom Distribution Services

1. Student Education
   a. Students will receive information on barrier methods during HIV and STD risk reduction classes by Thurgood Marshall Academy in the health program.
   b. All students will have the option of receiving individual health education by the school nurse or health teacher during the school year. Students may schedule health education services directly with the school nurse or health teacher. Students will be informed of this option and the procedure for obtaining individual health education services by flyer. School personnel shall provide monthly activity reports with non-identifiable student information as requested by the DOH.

2. Counseling
   a. All students shall have the option to receive private, confidential counseling upon request to the school nurse to obtain barrier methods.
   b. Students shall be given information on barrier method use, effectiveness and if requested, or needed, medical referrals.
   c. School nurses shall, upon request of the student, or if medically warranted, provide students with referral for further medical services and, or counseling. Students will be referred to their medical home, other primary care providers, free clinics, or local hospitals.

3. Distribution
   a. A variety of barrier methods to prevent sexually transmitted diseases shall be made available to student in the school nurse suite and health room.
   b. Students can receive up to 10 condoms and up to 10 dental dams per visit.

Dismissal

At the end of the school day, students are expected to leave the building in an organized and respectful fashion. Students should be aware that all Code of Conduct rules apply when they are leaving the building and on the school grounds, and continue to apply until they have arrived at their home or other destination. Students may not engage in violations of the Code of Conduct on their way to or from school. Students who violate the Code of Conduct on their way from/to home or from/to school may be subject to disciplinary consequences. Once students have exited the building, they may not reenter.

Drug Policy

Thurgood Marshall Academy maintains a drug-free environment. Our Code of Conduct provides that Thurgood Marshall Academy will take punitive action against any student involved with drugs. Thurgood Marshall Academy will also take rehabilitative action in such cases through referrals to appropriate agencies. Using, possessing, distributing, purchasing or selling any illegal drug or controlled substance, or cannabis (including medical cannabis, marijuana, and hashish) is strictly prohibited.

Although District of Columbia law permits the use of marijuana (i.e., use by persons possessing lawfully issued medical marijuana cards), for persons 18 years or older, federal laws prohibit marijuana use, possession, and/or cultivation at educational institutions who are recipients of federal funds. The use, possession, or cultivation of marijuana for medical purposes is therefore

not allowed at Thurgood Marshall Academy; nor is it permitted at any school sponsored event or activity off campus.

Emergency Contact Information

All students must have emergency contact information form on file, listing the names and phone numbers of any adults (over the age of 18) who may be contacted in the case of an emergency. It is the parent/guardian’s responsibility to keep this information accurate and current. Students and/or student records will not be released to any individual not listed on the form. **Changes and/or updates to the form must be done in writing by the primary parent/guardian. Verbal changes will not be accepted.**

Enrollment

Students are enrolled according to the Enrollment Procedures set forth by the District of Columbia Office of the State Superintendent of Education and the Public Charter School Board. Under District rules, a student must complete all necessary documentation, provide current proof of residency, and medical and immunization records to be considered enrolled. Failure to provide necessary documentation will result in a loss of enrollment slot.

Current students must complete an Intent to Enroll form annually by the set date. Failure to complete the Intent to Enroll form may result in a student losing his/her slot for the upcoming school year. The student may have to begin the enrollment process as a new entering student and will be placed on the waitlist.

Entering and Exiting the School

Thurgood Marshall Academy wants to maintain a safe and organized educational environment with minimal impositions on its members, so there are rules for entering and exiting the building. Students, family members, and guests must enter and exit through the main school entrance facing Martin Luther King, Jr. Avenue. Students must have their **current** school identification card (ID) in order to enter the building each day. **Students must present their IDs to security and/or Thurgood Marshall Academy staff when entering the school.** Family members and guests entering the school must report to the security desk to sign in, provide identification, and be escorted by staff while in the building. Before a family member or guest exits the building, s/he must sign out at the security desk. Students must exit the building from the main school entrance facing Martin Luther King, Jr. Avenue. **After a student leaves the building for the day, s/he will not be allowed to re-enter the building that day. Students are not permitted to stand, loiter or socialize outside the school building before or after school. Students must comply with requests to vacate the premises when given by any staff member, administrator, or the school resource officer.** These rules help the security staff maintain the safety of the school.
Please note, students will not be released to individuals who are not listed on documentation provided by the family during registration. The school requires photo identification from any individual wishing to pick up a student from the building.

**Family Educational Rights and Privacy Act (FERPA)**

The Family Educational Rights and Privacy Act (FERPA) is a federal law that affords parents the right to have access to their children’s education records, the right to seek to have the records amended, and the right to have some control over the disclosure of personally identifiable information from the education records. When a student turns 18 years old, or enters a postsecondary institution at any age, the rights under FERPA transfer from the parents to the student (“eligible student”). The full text of the FERPA statute can be found at 20 U.S.C. § 1232g and the FERPA regulations are found at 34 CFR Part 99. For additional information, please see the FERPA Notice of Rights and opt-out forms at Appendix F of the Student and Family Handbook.

**Food**

Students may not have food or drinks outside of the cafeteria. If a student brings his or her lunch, s/he may carry it in the hallway to and from lunch in closed or sealed containers or wrappers, but at no other times. All food or drinks must be stored in a student’s locker during the school day except during his or her lunchtime. Students must remove all food or drink from his/her locker at the end of the school day and may not leave food items in the locker overnight. Food found in lockers may be discarded by school staff.

Candy must be stored in a student’s locker during the school day. Students may only have candy during lunchtime. Students may not chew or otherwise ingest gum at any time in the school building, except in the cafeteria during lunch.

**Forums**

If a student, or a group of students, has a concern or issue and would like to discuss it with school officials, they may request a forum. To set up a forum, a student must complete a request form and submit it to the Director of Student Affairs. Forms are located in the Student Affairs suite.

**Good Standing**

Any student who is not in academic and/or behavioral good standing may be excluded from Thurgood Marshall Academy events. Students who are on Academic Probation, Disciplinary Probation, or a Final Probation Contract are considered to not meet the qualifications of good standing. The Administration reserves the right to exclude a student from any Thurgood Marshall
Academy sponsored event, off-campus activity, or assembly based on the student’s academic or behavioral record.

A student that is not in “good standing” may be placed on what is known as the “Banned List.” Students on the Banned List will not be allowed to participate in any school sanctioned event until they have earned their way off of the Banned List. Criteria for being removed from the banned list will vary and depends on the reason the student was placed on the banned list.

**Grievance/ Complaint Policy**

Thurgood Marshall Academy values the input of students, parents and guardians, and encourages parents to offer feedback on any aspect of the school program. A quality educational program for students at Thurgood Marshall Academy can be achieved best by all individuals working together harmoniously. There will be times, however, when an individual may feel the need to file a complaint. When complaints or concerns occur, they should be resolved at the school or at the lowest possible administrative level through an informal process of cooperative agreement among the affected individuals.

However, when the informal process fails to provide resolution, an individual is entitled to file a formal complaint and seek a review of any administrative decisions made by school system staff members. Complaints and concerns should be initially directed to the following individuals:

- Teacher (if appropriate)
- Student Dean
- Head of School

**Formal Complaint Process**

When a concern or complaint is not resolved through the informal process, you may initiate the formal complaint process outlined below.

The first step in the formal process is to obtain a Formal Complaint Form from the school’s website and return it to the student’s Dean. You may attach descriptive or supportive information to the form. Keep a copy of the form and any attachments.

When your complaint form is received at the school, the Student’s Dean or designee should contact you within three (3) school days to establish the date, time and place of a meeting to discuss your concern, if such a meeting has not already occurred. Usually, this meeting will take place within ten (10) school days. Within 10 school days of receipt of the written complaint, or this meeting, if any, the Student Dean and/or Head of School should respond to you in writing with a decision.

Sometimes a complaint or its resolution may be too complicated or, for other reasons, cannot be decided within 10 school days. In such cases, the Student Dean and/or Head of School will
contact you within the first 10 days and arrange for an extension of the decision for no more than an additional 10 school days.

If you are not satisfied with the written decision, or if you do not receive a reply to your formal complaint within the specified time, you may request that your complaint be considered by the Executive Director. You must file your request for review within 15 calendar days of the Student Dean/Head of School response or the date when a decision was to have been made.

If you wish to request a review, forward the Complaint Form to Executive Director, with a note explaining the basis for disagreeing with the decision. The Executive Director will respond, using a procedure and time limits similar to those followed by the Student Dean/Head of School, as follows: (a) a meeting may be arranged within 3 work days; (b) a resolution on the review within 10 work days after the meeting, if any; and (c) an extension of an additional 10 work days if the matter is unusually complicated or otherwise requires additional time. The Executive Director or his/her designee may respond by phone or in writing.

If you feel your complaint, whether administrative or programmatic, is not addressed properly at the school level, you may file a formal grievance. The process for filing a formal grievance is found in Appendix A of the Handbook and separately online in the Policy and Resources section of our website.

If you have a concern or grievance that you wish to share with Thurgood Marshall Academy’s Board of Trustees, please contact the Chair of the Board, Jonathan Stoel at 202-637-5600.

Harassment and Sexual Harassment Policy

Thurgood Marshall Academy PCHS is committed to providing all students with a safe and supportive school environment. Members of the school community, including teachers, students, administrators and staff, are expected to treat each other with mutual respect at all times.

This directive is issued to provide guidance on conduct that might give rise to complaints of harassment generally, and sexual harassment specifically, and the steps that school officers, parents, teachers, and students should take in responding to such conduct and/or complaints.

I. Harassment of Students or Employees by Employees or Other Students—Defined

Harassment is a violation of school policy, and includes verbal, nonverbal, and physical conduct that substantially interferes with a student’s education or creates an intimidating or hostile environment. This includes, but is not limited to, harassment based on race, color, religion, national origin, sex, age, marital status, personal appearance, sexual orientation, family responsibilities, matriculation, political affiliation, disability, source of income, or place of residence or business.
II. Sexual Harassment of Students or Employees by Employees or Other Students- Defined

Sexual harassment of students and employees is prohibited at Thurgood Marshall Academy. Sexual harassment includes, but is not limited to, unwelcome sexual advances, verbal sexual behavior, or nonverbal sexual behavior that substantially interferes with a student’s education, or creates an intimidating or hostile environment.

III. Sanctions for Harassment and/or Sexual Harassment of Students by Students

Harassment generally, and sexual harassment specifically, of students by students is specifically prohibited by the Thurgood Marshall Academy Code of Conduct, and such harassment constitutes grounds for disciplinary actions and/or school exclusions as set forth in those provisions.

IV. Sanctions for Harassment and/or Sexual Harassment of Students by Employees

Harassment generally, and sexual harassment specifically, of students by employees is specifically prohibited by this directive and Thurgood Marshall Academy policy. Such conduct by employees will be subject to adverse action provisions as set forth in the Faculty Handbook, and may lead to adverse action including termination of employment.

V. Grievance Procedures for Harassment and/or Sexual Harassment of Students

Complaints of harassment generally, and sexual harassment specifically, of students by students, employees or other persons may result in an allegation of denial or abridgement of student rights as set forth in the Thurgood Marshall Academy Code of Conduct. When necessary, students and parents/guardians may avail themselves of the grievance procedures. Any student who feels s/he has been harassed should report the incident to his or her Divisional Dean and/or another member of school administration.

Health Services

The Health Suite is located on the ground floor.

The nurse from the District of Columbia Department of Health (DC DOH) is responsible for coordinating all medical and nursing services provided in the school. Nursing services include: health assessments, health counseling, health care referrals, emergency care, first aid, and supportive health and safety education for all students and school personnel.

The nurse or trained staff may administer medication with a physician’s authorization and parental consent. Students must have on file a medication authorization form which can be obtained from the nurse.

Thurgood Marshall Academy Public Charter High School- Updated July 12, 2019
24
Students will not be admitted to the Health Suite without a valid pass from a teacher. The nurse will sign the pass noting the arrival time and the length of stay in the health unit. The pass will be given to the teacher upon the student’s return to class. If the nurse determines that a student is too ill to remain in school, s/he will contact the child’s parent/guardian. Students who are ill may not leave the building without written authorization from a TMA staff member.

Exclusion Criteria

Students will not be permitted to return to school activity without a physician’s clearance.

Immunizations

Students must be up to date on all immunizations recommended by the District of Columbia DOH. If you do not want your child immunized for medical or religious reasons, you must fill out the appropriate exemption forms available from the nurse. Students who do not have all of their immunizations up to date may not be permitted to attend school in accordance with DC laws and regulations.

Communicable Disease

The DC DOH does not permit students to remain at Thurgood Marshall Academy if they have a communicable disease or symptoms of a communicable disease. Parent(s)/guardian(s) should notify the school’s nurse within 24 hours after the student has developed a known or suspected
communicable disease. If a student is found to have signs or symptoms of a communicable disease, a notice will be sent home indicating the disease and the nature of the illness. The names of the students will not be provided. All information about communicable diseases is confidential.

**Medication**

The school nurse and/or trained staff may administer medication to students while in school. Students must have a current Medication Authorization Form signed by a current physician on file to take any medication at school (even over-the-counter items such as aspirin). No medication will be administered unless the parent has completed a Medical Authorization Form. The form must be completed each school year.
• Prescription Medicine—Prescription medicines will be administered by the nurse or trained staff only if left in the original container and only according to the instructions on the container.
• Non-prescription Medicine—Thurgood Marshall Academy staff and/or nurse will not administer any nonprescription medication without a note from physician. Please cooperate by not asking our staff to administer drugs without instructions from a physician.

Students must secure all remaining medication by the last day of school from the school nurse. Any medication left after the last day of school will be discarded.

Student possession of prescription or non-prescription medication outside of the Medication Policy outlined above is a violation of the Code of Conduct. If found, in addition to any disciplinary action, medications will be confiscated and only a parent or guardian may retrieve the medications.

Homeless Students/ McKinney-Vento

Thurgood Marshall Academy provides services for students who qualify as homeless under the McKinney Vento Act. Families receive information on the McKinney-Vento Homeless Education Assistance Act annually. The school’s McKinney-Vento liaison acts as the main point of contact for families and government agencies. Referrals may be made to the student’s Dean or McKinney-Vento liaison.

The McKinney-Vento liaison annually informs staff and parents/guardians of steps to take when referring a child for assessment, common signs of homelessness, and services that will be made available to all identified students. Referrals and assessments will be on-going throughout the year. Once a student is successfully identified, the liaison—in cooperation with school staff—ensures and records that all services are being rendered to the student if need is presented; Metro cards, uniforms, and supplies will be handled through the office of the liaison. All students, regardless of situation, are tracked academically through their Divisional Dean. If a student is identified for having an IEP, through the SEDs system, they will receive Special Education in a timely manner from the Special Education Department. On a quarterly basis, the McKinney-Vento liaison will check in with all students identified as homeless to verify that services are being provided. If, at any time, a disciplinary hearing is required due to an identified student’s actions, the liaison will sit in on the meeting to verify that those actions were not as a result of their living situation.

All identified students will be re-assessed annually, unless a change in living situation is presented to the school.

Internet Policy
Thurgood Marshall Academy provides Internet access for students to do research for school projects and class assignments. To ensure that students become responsible Internet users, Thurgood Marshall Academy permits Internet access under the following circumstances:

1. During class, students may use the Internet for class-related work under the supervision of the teacher of the class.
2. Before and after school and during lunch, students may use the Internet to find information about subjects approved by the staff member providing supervision.
3. During Advisory, students may use the Internet under the supervision of their advisor.
4. During tutoring, students may use the Internet for locating information on homework topics under the supervision of a tutor.

No food, drink, or gum is allowed in any computer area. Chat room/social community visits are not permitted, unless part of a teacher assigned assignment. No printing will be allowed without the permission of the supervisor.

Students who violate the school’s Acceptable Use Agreement (see the Appendix) will have all computer privileges suspended. The Acceptable Use Agreement and all Internet Policies also extend to those using school internet (wi-fi) for personal devices (e.g. laptops from home, mobile phones, tablets, etc.).

Electronic Devices

Radios, iPods and MP3 players, CD players, video game players, cell phones, iPads, tablets, e-readers, smart watches, and other electronic devices are not permitted in common areas, hallways, classrooms, and the cafeteria. Students will be permitted to use electronic devices in the cafeteria during breakfast only and anywhere in the building after 3:30 pm (4:00 pm on Tuesdays). At 8:35 am all electronic devices should be placed in the student’s assigned locker. If a student brings any of these items to school, s/he will be required to leave them in his or her locker until dismissal at the end of the day. If a staff or faculty member observes a student using, or in possession of any non-permitted electronic device, the item will be confiscated, student will receive a detention, and the device will be given to the appropriate Divisional Dean. The student’s parent/guardian will be notified and s/he will be required to come to the school to retrieve the item; students will be issued a detention for confiscated devices. The school will not be responsible for lost or stolen electronic devices, this includes items left with staff due to electronic surrender contracts, confiscation, or charging.

Students may opt in to an Electronic Surrender Agreement that states participating students will drop off their electronic device with his/her dean upon entering the school and pick up their device at dismissal. Refusal to abide by the agreement will result in normal consequences per the Code of Conduct.

Laptop Use (touchpads, iPads, e-readers, or similar devices)
Students may use their personal laptops in the school building with the permission of their Divisional Dean or Head of School. Students may not use the laptop during a class period unless permissible by the teacher. Students may not access the school’s server at any time. Students who have lost the privilege of using school computers due to a violation of the Acceptable Use Agreement will not be allowed to use their own personal laptop in the school building. This policy shall apply to all laptops, iPads, tablets, touchpads, and similar devices whose purpose is not for phone communication.

**The school is not responsible for any damaged, lost, or stolen laptops, touchpads, iPads, e-readers or similar devices.** It is the student’s sole responsibility to secure and care for his/her laptop or other electronic device if he/she elects to bring it to school. Additionally, the school does not provide any technical repair services or software for student use on personal laptops and is not responsible for any hardware/software issues that develop on personal devices used on school property.

All school policies governing the acceptable use of computers and internet apply to personal devices.

**Library Hours**

The library is open in the morning on select days of the week, during lunch, and after school for student use. To establish an environment supportive of school work, study, research, and enjoyment of book and educational media there, Thurgood Marshall Academy has the following rules:

**Morning Hours**: Students may use the library between 8:00 am–8:35 am on select days of the week. When a student arrives in the morning, s/he may request a pass at the front door and report to the library.

**After School Hours**: Students may use the library Monday through Friday after school. Space is available on a first-come-first-served basis each day. Students must sign in and out when using the library after school.

Please see the Library and Media Center section for a more comprehensive outline of the center’s use.

**Lockers**

Each student will be issued a Thurgood Marshall Academy locker. Students are not allowed to use their own locks on these lockers. **Each student’s locker is school property and may be searched by school officials at any time in accordance with applicable laws.**

Each student is responsible for any item found within his or her locker. **Students should not share lockers or give their locker combinations to other students.** Each student is responsible
for any items found in his or her assigned locker, as well as for any items missing. Thurgood Marshall Academy is not responsible for any items lost from lockers. Lockers will be cleaned out on the last day of school each year and any remaining contents will be discarded or donated.

Lost and Found

The Lost and Found Box is located in the front lobby at the security desk. Students must ask a security guard for assistance with the Lost and Found Box either before or after school, or at lunch. All items that are collected will be kept for two weeks. After each two week period the items in the Lost and Found Box will be discarded. Thurgood Marshall Academy is not responsible for lost items or items in the Lost and Found Box. Any item(s) confiscated by a school staff/faculty must be claimed within two weeks or it will be discarded.

Lunch

Because Thurgood Marshall Academy is a community eligible school, there is no charge for student lunches. Students may bring their lunch if they wish. Thurgood Marshall Academy is a closed campus; students may not leave campus to obtain food nor are they permitted to order food for delivery. Food ordered for delivery may be confiscated or discarded by staff. Students are not permitted to eat or drink outside of the cafeteria.

Mandated Reporting

Student’s safety is our first priority at Thurgood Marshall Academy. Because schools are mandated reporters of child abuse and neglect, we will call the Child and Family Services Child Abuse and Neglect Hotline if:

- A student tells a staff/faculty member that they are being abused at home, there is drug use in the home, have been sexually abused, are engaging in child pornography or prostitution, have witnessed domestic abuse, are being threatened at home, or don’t want to go home because they are afraid.
- A student threatens suicide or threatens to kill or seriously harm another person.
- A staff member sees physical signs of abuse such as bruises, burns, fractures, etc.
- A staff member notices signs of neglect including lack of basic food and clothing, inappropriate hygiene, lack of appropriate supervision, lack of medical treatment, or the child is residing in an inappropriate or dangerous environment.
- A student is engaging in risky behavior (including sexual behavior, drug use, etc.) and the parents are not able to or unwilling to intervene.
- A student has 10 or more unexcused absences or an extreme tardy problem. (Age relevant as per DCMR)
- A student is being kept from school to care for family members or to do chores or work around the house.
- A student is not attending school because they are holding a job.
- Parents are repeatedly not returning phone calls, responding to notes or letters home, or are not coming up to school for meetings.
Prohibited Items

Drugs (including prescription and over-the-counter medications not provided to the school nurse), alcohol, tobacco products, weapons, sharp objects, and other potentially dangerous or illegal substances or objects that are, or could be, intended to inflict harm are prohibited. Possessing, using, or threatening to use prohibited items are grounds for expulsion.

Residency Verification

All guardians seeking to enroll a student must prove DC residency during the designated enrollment period for each student. If there are any residency disputes, the guardian has three (3) calendar days to submit the additional documentation. If residency cannot be proven by this time, the child will automatically be un-enrolled. DC residency must be proven by the legal guardian. If anyone besides the birth mother or birth father is proving residency, legal documentation must be submitted proving guardianship. Thurgood Marshall Academy may institute a residency investigation upon receiving evidence that a family is not living in the District of Columbia.

School Closings

Thurgood Marshall Academy generally follows DCPS school delay/closing decisions. Information regarding school closings due to snow, excessive heat, etc., as well as other emergency information related to the school, will be announced via robo-call, text messaging, local radio and television stations.

In the event that the school is closed for more snow and/or emergency closing days than allotted per each calendar year, a contingency plan will be enacted to restore academic days.

School Materials Policy

The school provides a variety of materials to aid students’ learning. Students must use these items with care and respect, as they and their parents/guardians are responsible for the cost of any school property that is lost or damaged. Students purchase their own notebooks, folders, pens, pencils, paper, and other necessary school supplies.

Student Activities

Throughout the school year, students have the opportunity to participate in various activities in and out of the school building. These activities may include a field trip, guest speaker, prom, senior class trip, or other school sponsored events both during and after school. Students must meet eligibility criteria to participate in the event. Criteria for each event are determined on a case by case basis and students are informed of the criteria prior to the activity. Criteria include a student’s:
• Academic standing and performance
• Discipline conduct and infraction points
• Student fees (if applicable)
• Other criteria determined by the administration as pertaining to the event

While the school makes every attempt to offer all student activities and trips at no-cost to families, we may ask families to contribute to certain student activities. Families may apply for financial assistance if necessary.

**Student Fees**

Student fees accumulated during any school year must be paid in full to receive final report cards, transcripts, or school records when graduating, withdrawing or transferring a student. Senior students with an excessive outstanding balance may not be allowed to participate in graduation activities. If students have outstanding bills, they may not be able to participate in school activities throughout the school year or subsequent school years.

Families receive updates of student account bills throughout the school year. Student fees are assessed for the following:

- Textbooks
- School uniforms
- School IDs
- School supplies
- Student testing fees (PSAT, SAT, ACT, AP exams)
- Student consumables (workbooks, novels, lab materials, any other supplies provided to a student).
- Damage to school issued electronic devices used by the student (laptop, e-reader, tablet, etc.)
- Senior fees including graduation, prom, senior trip, etc.
- Any other item where a fee is assessed by the school

Thurgood Marshall Academy offers families/students a payment plan option, when needed, to pay off student balances. The fee schedule below represents student fees. *These are subject to change without notice.*

Payment Options

Thurgood Marshall Academy only accepts cash, credit cards, money orders, or cashier’s checks. We do not accept personal checks for any reason. The school offers a payment plan. Specific details may be found on the school’s website.

Students of Legal Age (18)

Thurgood Marshall Academy recognizes that when most students reach the age of 18, the student has rights which were formerly rights of the parent/guardian. When an eligible student turns 18 year old he/she will assume the rights previously afforded to the parent/guardian. Thurgood Marshall Academy shall continue to communicate to the student and the student’s parent(s)/guardian(s) as the school does before an eligible student turns 18, unless the student requests in writing that communication with the parent(s)/guardian(s) be ceased. The communication will be for informational purposes, only. The school will continue to mail home any report cards, notifications, and communications to the address on the student’s record. Students who are emancipated minors by the courts will be afforded all rights given by law.

The school will continue to contact the family members listed on the school contact sheets to approve any early dismissal. In the absence of any verbal permission provided from a contract on
file, students wishing to sign themselves out from school will be asked to present documentation in the form of a medical appointment card or similar evidence to justify an early dismissal. Absent such evidence or verbal permission from a person on file, the student will not be permitted to leave school early and doing so may result in disciplinary action in accordance with the rules set forth in this Handbook.

*Note: The courts may declare a seriously handicapped person a permanent ward and in such instances the student could not declare legal independence.*

**Student Government**

The Student Government gives students the opportunity to assume leadership roles in their grade and the greater Thurgood Marshall Academy community. Once students are elected/nominated to serve a one-year term, they become part of the collective leadership voice of the student body. Their duties involve planning special events (dances, Spirit Week, and socials), discussing student concerns, and working to improve the Thurgood Marshall Academy community as a whole. In addition, the representatives from each grade assume lead roles in planning grade-wide events.

**Student Privacy**

Thurgood Marshall Academy will comply with all District of Columbia laws and regulations regarding student privacy. We respect the privacy of all parents and students in regards to student records.

**Telephone Use**

In order to eliminate the disruptive effect of cell phones and telephones on learning, Thurgood Marshall Academy does not permit use of these items during the school day. There are no telephones available for students at Thurgood Marshall Academy, please do not call or text your student during the day. In the event of an emergency, a staff member will contact a parent/guardian on the student’s behalf. If a parent or guardian needs to contact his or her student with an emergency message, the parent/guardian must call the main office and ask for the appropriate Dean depending on the student’s grade level. The Divisional Dean and/or another staff member will take the message and relay it to the student. If a student has an emergency and absolutely needs to use a telephone, s/he is to report to the Student Affairs suite and ask to obtain permission to use a telephone. Students may not use cell phones or pagers in the school building at any time during the school day, as this is a violation of the Code of Conduct. This applies to all school property (hallways, classrooms, bathrooms, gym, etc.) However, students may use their cell phones during breakfast and after dismissal.

**Testing**
Students in the 9\textsuperscript{th} through 12\textsuperscript{th} grades take a variety of tests, including mid-term exams, final exams, internal Thurgood Marshall Academy assessments, PARCC, PSAT, SAT, ACT, and AP tests.

Standardized Testing: All 9\textsuperscript{th}-11th grade students take mandated standardized tests as determined by the District of Columbia. Additionally, all students enrolled in Biology must take the Biology DC Science Assessment regardless of grade level.

Families wishing to opt out of any required testing should consult the Grading Policy for details about the consequences for failing to participate. These consequences include, but are not limited to, restrictions on taking AP and other advanced courses requiring additional summative assessments.

\textbf{Impact of Attendance on Final Exam Exemption}

Seniors will \textbf{NOT} be eligible to exempt a final exam in a class if they have more than \textbf{FIVE} absences in the class for the fourth quarter. All absences (excused and unexcused), except school sponsored activities count against the total of five absences. Students and parents/guardians may appeal for final exam exemption in a course, if the student meets the other criteria, following the appeals procedure. The Head of School will notify students in cases where attendance appeals have been granted.

\textbf{Textbook Return}

Students are issued textbooks at the beginning of each school year. Textbooks are property of Thurgood Marshall Academy and must be returned at the end of the school year. \textit{Students who do not return the assigned textbooks or who return assigned textbooks in a damaged condition will be charged the cost of replacing the item.} Students and parents/guardians will not be able to receive final report cards, transcripts, or withdrawal or transfer records until the balance for any missing or damaged textbooks is paid.

\textbf{Title IX and Non-Discrimination Statement}

In accordance with Title VI of the Civil Rights Act of 1964 ("Title VI"), Title IX of the Education Amendments of 1972 ("Title IX"), Section 504 of the Rehabilitation Act of 1973 ("Section 504"), Title II of the Americans with Disabilities Act of 1990 ("ADA"), and the Age Discrimination Act of 1975 ("The Age Act"), and applicable District of Columbia laws and regulations applicants for admission and employment, students, parents, employees, sources of referral of applicants for admission and employment, and all unions or professional organizations holding collective bargaining or professional agreements with Thurgood Marshall Academy are hereby notified that Thurgood Marshall Academy does not discriminate on the basis of race, color, national origin, sex, age, religion, marital status, personal appearance, sexual orientation, gender identity or expression, family responsibilities, matriculation, political affiliation, genetic
information or disability in admission or access to, or treatment or employment in, its programs and activities.

Use of Planners

Students will be issued planners at the beginning of the school year. Students should record homework assignments and major assignment or assessment dates to help them stay organized.

Video/ Audio Recording

Video and audio recording of events not open to the public involving a) school employees carrying out their school-related duties, and/or b) students, and/or c) parents and/or d) others involved in school-related business, including but in no way limited to meetings between parents and teachers/administrators, IEP team meetings and other special education – related meetings, meetings between or among administrators and school employees and/or meetings between or among school employees only and/or meetings between or among administrators only shall not be permitted.

Exceptions to this policy may be granted by the Executive Director in her/his sole and exclusive judgment. Prior written requests to video or audio record events as aforesaid must be made to the Executive Director at least 48 hours prior to the event that the requestor seeks to video or audio record. Such permission should only be granted under extraordinary circumstances and where doing so will be in the best interests of Thurgood Marshall Academy in pursuing its educational mission and in the best interests of students. If permission is granted to video and/or audio record an event, under no circumstances may any recording of any kind whatsoever be made public, posted on the internet, or sold.

Nothing herein shall be interpreted to prohibit any person from video or audio recording any school-related event which is open to the general public, including but not limited to athletic contest, fine arts performances, debate tournaments, etc. A person may not profit directly or indirectly from the recording of any such public event by selling or posting such recordings on the internet for a fee.

Video Surveillance

Thurgood Marshall Academy is secured with video surveillance equipment. Video cameras record and monitor school activity before, during, and after school. Students and/or visitors to the building should not have the assumed right to privacy. Video footage will be reviewed as deemed necessary by school administration, Deans, and/or security. Video footage is the property of Thurgood Marshall Academy, is not considered a school record, and will not be released to any individual with the exception of law enforcement or under lawful subpoena.

Visitor Policy
Family members of students and other guests are welcome at Thurgood Marshall Academy. To ensure the safety of all members of the Thurgood Marshall Academy community, the school established the following visitor policy:

1. All visitors must present identification and sign in and out at the security desk at the school entrance.
2. A visitor wishing to meet with a teacher or other staff member should make an appointment in advance with that person.
3. Any visitor who interferes with the work of students or employees of Thurgood Marshall Academy will be asked to leave immediately.
4. Any visitor wishing to visit a current student must be included on the student’s Emergency Contact Form. The school will not allow anyone to see a student if he/she is not included on the form. Any changes to the Emergency Contact Form must be done so in writing from the parent/guardian listed as the primary contact for the student.
5. In addition to the conditions noted above, any visitor wishing to provide outside services (counselors, mentors, etc.) for a currently enrolled student must provide the school with a signed consent form and contact the school in advance if they require space to provide services. Please note, confidential meeting space is limited at the school and requests may be denied if the school is unable to accommodate due to space limitations. Therefore, it is imperative that parents and service providers communicate needs to the appropriate Dean in advance.

Withdrawal

Students may withdraw from Thurgood Marshall Academy during the school year, before the school year or after the school year. Families who wish to withdraw a student must complete the Withdrawal Form, return all assigned textbooks, and pay all outstanding school fees. Parents/Guardians must provide proof of enrollment in a subsequent school within ten (10) calendar days. Failure to do so will result in the student being considered truant/drop-out. Proper truancy protocols will be followed.

Students who withdraw from Thurgood Marshall Academy at any point may not re-enroll during the same school year. Students must begin the enrollment process as new students for subsequent school years. Such students will be evaluated on a case-by-case basis by the school administration pending credit evaluations. **Students who are scheduled for Disciplinary Hearings (e.g. expulsion and/or long term suspension) and elect to withdraw will not be eligible to re-enroll for a period of one year.**
Academic Policies

Academic Communications

Progress reports are distributed two times per quarter. Report cards are distributed at the end of each quarter.

Academic Probation

Students who are in danger of failing, have low or failing grades from the previous school year, and/or have a GPA of 1.50 or lower are placed on academic probation. Academic probation consists of required tutoring as well as check-in meetings with the student’s Divisional Dean. Students may be placed on academic probation at any time throughout the school year. Students on academic probation are re-evaluated at the end of each quarter to determine whether a change in their status is appropriate.

Academic Records Requests

Requests for academic records (transcripts, report cards, conduct, attendance, special education evaluations, individualized education plans, Verification of Enrollment, etc.) must be submitted in writing to the Correspondence Drop Box. The form for such requests is available in the main office. There may be fees associated with requests. Requests will be processed on a first-come-first-served basis and may take at minimum 48 hours to process.

The valedictorian will be the student who has the highest grade point average (weighted GPA). The salutatorian will be the student with the second highest GPA. Only grades earned at Thurgood Marshall Academy will be included in the student’s GPA. The Administration may determine that a student does not qualify to be valedictorian or salutatorian if he/she has any discipline infractions or is not in good standing based on his/her conduct record. (Graduation Only)

**Calculating Course Grades**

**Semester Courses**

For half credit (.5 credits) courses, both quarters are equal to 90% of the final grade, and a cumulative final exam is equal to 10% of the final grade.

**Yearlong Courses**

For yearlong courses (1.0 credit), all four quarters are equal to 90% of the final grade and the cumulative final exam is worth 10% of the final grade. Mid-term exams are calculated as part of the second quarter grade.

**Senior Final Exam Exemption Policy**

The exemption from final exams is designed to provide incentive for seniors to maintain a responsible academic record through their final term at Thurgood Marshall Academy Public Charter High School. **Final Exam exemption applies only to seniors** and does NOT apply to Advanced Placement (AP) tests or project-based finals and papers. Seniors who are eligible for exemption are not required to take an exam nor should s/he report to school during the assigned
testing period. Students who meet the exemption criteria will not be required to take the final exam for the course and their final grade will be calculated as follows:

**Year-long Courses**
Quarter 1 (25%) + Quarter 2 (25%) + Quarter 3 (25%) + Quarter 4 (25%) = Final Course Grade

**Semester Courses**
Quarter 1/3 (50%) + Quarter 2/4 (50%) = Final Course Grade

If a senior who is eligible for exemption elects to take the final exam, the student should notify the instructor of his/her preference to sit for the final test.

Teachers will be notified of students who qualify for exemption and instructors are responsible for informing such students. Letters will be provided to parents about which course(s) the exemption applies and the period(s) in which the student should not report to school.

In order to exempt a final exam, seniors must meet the following criteria:
Seniors who have a cumulative “A” average, 90.0% or greater, at the end of a course (semester and year-long courses) may be eligible to exempt the final exam in that course if they meet the other criteria. The 90.0% or greater average will be calculated from the mean of each quarter through progress report two in the last quarter of the course. For example:

**Year-long Course Qualification**
\[
\frac{(Q1 + Q2 + Q3 + Q4P2)}{4} = 90.0\% \text{ or higher}
\]

**Semester Course Qualification**
\[
\frac{(Q1 + Q2P2)}{2} = 90.0\% \text{ or higher or } \frac{(Q3 + Q4P2)}{2} = 90.0\% \text{ or higher}
\]

**Course Catalog**

Thurgood Marshall Academy publishes a Course Catalog annually. The Course Catalog includes class offerings and educational opportunities. In addition, information about graduation requirements and scheduling procedures are included. It is important to note that *not all courses listed are offered each semester*. Some courses may not be offered due to student sign-ups, resources available, and/or teacher availability. Copies of the Course Catalog may be requested from the main office or accessed via the school’s website.

**Course Credit**

To receive course credit to meet promotion and graduation requirements, a student may not score lower than a C- for a final grade for a course. Students who receive final grades which are 69% or below do not receive credit for the course in which they have received the grade. The school issues letter grades on all report cards and transcripts. The school does not provide numeric grades.
Current Student Transfer Credit Policy for Credit Recovery

Thurgood Marshall Academy accepts credit recovery credits for students who have completed the course at Thurgood Marshall Academy but did not earn a passing grade.

Students in grades 9-11 may earn up to two (2) recovery credits per school year from an approved credit bearing institution. Graduating seniors in need of credit to meet graduation requirements may enroll in the required courses needed without limit. Credit bearing institutions include:

- Thurgood Marshall Academy Summer School
- DCPS Summer School
- Summer School offered by an accredited school system (e.g., Washington, DC, Catholic Schools)
- Nationally accredited credit recovery programs (Note: Any course available in the course catalog of any approved credit recovery program can be used to meet graduation requirements. A TMA administrator will review the course and make a final determination on how the course will be applied to the graduation requirement.)

Students seeking credit recovery must be enrolled in a course that corresponds to Thurgood Marshall Academy’s course and graduation requirements. It is the student’s responsibility to enroll in the appropriate courses at an approved institution. Students must seek approval from the Head of School before enrolling in any courses outside of Thurgood Marshall Academy to ensure that the course meets the school’s credit transfer requirements and graduation criteria.

Students in grades 9-11 must be currently enrolled and have completed and failed a course to participate in credit recovery. A transcript evaluation will be completed to make a final determination on eligibility and participation.

To earn recovery credit, students must successfully complete a course with a C- or better or the numeric equivalent of a 70% or higher.

Students seeking transfer of credit recovery courses will be reviewed on an individual basis by Thurgood Marshall Academy administration.

Please consult the school’s Course Catalog for specific policies related to grade calculations for transfer and credit recovery grades.

Grade Point Average

A student’s Grade Point Average (GPA) is extremely important for the college admissions process. A high GPA enables students to be competitive in the college application process and makes it easier to earn scholarship money to pay for the costs of a college education. Each
Thurgood Marshall Academy student should understand that colleges examine a student’s cumulative GPA from ninth through twelfth grade. Students will learn how to calculate their GPAs in Advisory. Advanced Placement and honors courses receive extra weight in the calculation of the student’s GPA. Please refer to the section on Advanced Placement and honors courses. Thurgood Marshall Academy only includes grades earned at the school towards a student’s GPA calculation.

**Grade Scale**

Thurgood Marshall Academy uses a letter grading system to measure student progress in courses. The grading scale is as follows:

Calculating GPA

Each letter grade is assigned a Grade Point Value (see table above). The GPA is calculated by multiplying the Grade Point Value for all eligible completed courses (FINAL grades only) by the credit attempted for the courses (courses are valued at 0.25 credit, 0.5 credit or 1.0 credit). The final number is divided by the total number of credits attempted to obtain the GPA. GPAs are only calculated at the end of the school year. Student transcripts reflect both a yearly GPA and a cumulative GPA (inclusive of all eligible courses completed at Thurgood Marshall Academy).
Example:
Sam Jackson, 11th grade

Courses Included in GPA Calculation

Only eligible courses completed during the regular academic year are factored into the GPA calculation. Generally, all academic courses offered during the regular academic year are included in the GPA calculation. Courses graded on a Pass/Fail scale (Law Firm Tutoring, AP Seminar courses, etc.), summer school courses, and credit recovery courses are not included in the GPA calculation. Please reference the course catalog to determine if a course is included in the GPA calculation.

Factoring Summer Courses and Credit Recovery Courses into GPA

Summer school courses (taken either at TMA or at another location) and credit recovery courses are not factored into the GPA calculation. These courses are taken for credit recovery purposes only. The original failing mark earned in the course is the only grade factored into the GPA calculation.

Factoring High School Grades Received Prior to TMA Enrollment

Grades received prior to enrolling at Thurgood Marshall Academy are not factored into the GPA calculation. A Transfer Credit Worksheet should be completed during the summer prior to enrolling at Thurgood Marshall Academy PCHS. The Transfer Credit Worksheet will include all courses included on the official transcript from the student’s sending school and denote if the course credit earned will transfer into Thurgood Marshall Academy. These courses are used to fulfill graduation requirements, but the grades are not eligible for inclusion in the GPA calculation.
Factoring Grades from a Repeated Grade at TMA

Grades from the year repeated are not factored into the GPA calculation. Both credits attempted and credits earned are set to zero to remove any impact on the GPA calculation.

Graduation Requirements

Student schedules are done on an annual basis. Students complete the course request process each spring. Student course selections are not final until approved by school administration. Faculty/staff recommendations are a part of the student scheduling process. All students must have full-day schedules; senior students who have met all graduation requirements may enroll in elective courses—half-day or part-time student schedules are not permitted. Student schedules cannot be changed after the schedule request class add/drop date established each academic year; full-year courses may only be changed in the fall.

Seniors who do not meet all graduation requirements will not be allowed to participate in commencement activities. This includes community service hours, academics, and discipline requirements.

Thurgood Marshall Academy Public Charter High School- Updated July 12, 2019
45
*Please note that this is subject to change based on curricular needs, which are reviewed on an annual basis.

**Beginning in school year 2014-15, in accordance with our policies, Thurgood Marshall Academy may award course credit through a Credit by Exam (CE) option to students who demonstrate required proficiency levels in a graduation mandated course in foreign languages and mathematics to students prior to a student taking the course.

**Homework Policy**

Homework is an important aspect of school work at Thurgood Marshall Academy. It helps students prepare for class and extend concepts learned in class. Students with an excused absence have two days to turn in homework assignments. Students with excused, long-term absences can make alternative arrangements with the administration. A teacher may adjust this policy at his or her discretion. It is the student’s responsibility to speak with his or her teacher about late homework assignments the day s/he returns to school.

**Honors and Advanced Placement Courses**

Thurgood Marshall Academy is a rigorous college preparatory high school. It offers a variety of honors and Advanced Placement courses. Grades in honors courses will be weighted an extra .5 in calculating student GPAs. Grades in Advanced Placement courses will be weighted an extra 1.0 in calculating student GPAs. Weighted course grades do not affect a student’s overall grade in a course.

Incoming 9th grade students will be assessed for eligibility based on Summer Prep test results. Placement in honors and Advanced Placement courses is based upon a combination of student grades, performance on standardized tests such as PARCC and PSAT, and teacher recommendation.

**Advanced Placement Courses**

The Advanced Placement (AP) program is a cooperative educational endeavor between secondary schools and colleges/universities. AP courses give students exposure to college-level material and provide them an opportunity to show their mastery of course content by taking the AP exam. Colleges and universities often grant credit, placement or both to students who earn passing scores on the AP exam.

AP courses are extremely rigorous and cover content at an accelerated pace. Students who choose to take AP courses are expected to complete all pre-course/summer requirements specific to the course, remain in the course for the entire year and sit for the associated AP exam. Students are responsible for paying all applicable AP exam fees.
If a student struggles with an AP course, it is expected that they will commit themselves to a greater effort and seek regular support services. **Please note that students who both choose and are scheduled for AP course(s) will be required to remain in the course(s) after the course add/drop date.**

**Individualized Education Plans (IEP)**

An IEP is a legal document that sets goals and objectives for students with disabilities. Thurgood Marshall Academy places students with IEPs in the least restrictive environments available for those students. The IEP describes the programs and services that will be offered to help these students reach their goals. Student IEPs will be reviewed annually as required by the Individuals with Disability Education Act (IDEA). The IEP team consists of the student, his or her parent/guardian, a special education teacher, general education teachers and other personnel as needed. A re-evaluation of the IEP will be completed at least once every three years to determine whether the student is still eligible for special education services, and what services s/he needs.

Parents of new students should advise the school of any previous IEPs or special services their child received in the past.

Additional information regarding special education, including how to request services at Thurgood Marshall Academy, can be found on our website at www.thurgoodmarshallacademy.org.

**Late Project and Alternative Assessment Policy**

Timely completion of assignments is important for classroom learning and preparation for college. Teachers may choose not to accept late projects. If a teacher chooses to accept a late project/alternative assessment it will be deducted one letter grade for each school day that it is late. In case of an emergency, it is the student’s responsibility to speak with his or her teachers to ask for additional time, which may be granted at the teacher’s discretion.

**Make-Up Work Policy**

We want students to learn and take responsibility for their school work. Students with excused absences must pick up their work the day they return to class. It is the student’s responsibility to request his or her work from his or her teacher. Students have two days to complete their assignments for each excused day that they were absent. This includes class notes, handouts, and any other academic work that was missed. **Students exceeding five excused absences in a row must see their teachers to create make-up work plans.** This is the responsibility of the student. No credit will be given if the plan is not followed correctly by the student. Adjustments to the plan may be made at the teacher’s discretion.
Students returning from unexcused absences will be given work at the discretion of the teacher. For this reason, it is important to ensure that families are submitting appropriate paperwork to excuse absences.

Requests for work should be made directly to that subject area teacher.

In-class tests and quizzes may be made up with a documented excused absence. Students have two days to make up quizzes and tests for each excused day absent. It is the student’s responsibility to arrange this with his/her teacher. Adjustments to this policy may be made at the teacher’s discretion.

**Promotion Policy**

Thurgood Marshall Academy believes that students’ school performance is a significant measure of their learning attainments. For a student to succeed at increasing higher levels of school, s/he needs to have a sufficient foundation at his/her present level. Thurgood Marshall Academy believes it is in a student’s interest to build a substantial academic foundation before advancing to higher academic levels. This preparation may take more than four years. In fact, many well-known college preparatory schools serve the purpose of providing an extra year of study when needed for college readiness. Students who fail to meet the grade level promotion criteria will be retained in grade and receive zero credits for any work completed during the academic year.

Accordingly, students must meet applicable academic and discipline standards in order to be promoted to the next grade level.

**Academics**

The school’s promotion policy is grade-level specific as follows:

- 9th grade students must have a minimum of 4.0 credits to be promoted to 10th grade. Three of the four credits must be earned in core course subject areas including English or Algebra I, social studies, science and world language.

- 10th grade students must have a minimum of 9 credits (including at least one foreign language credit) and fail no more than two core courses to be promoted to 11th grade.

- 11th grade students must have a minimum of 16 credits (including at least two foreign language credits) and be on track to fulfill graduation requirements (based on a transcript review) to be promoted to 12th grade.

To receive a diploma, seniors must meet all graduation requirements.
Community Service

Community service is an important dimension of a student’s civic development and inherent in the mission of Thurgood Marshall Academy. Community service must be documented annually by May 15. Students must complete one hundred hours of community service to meet graduation requirements, as set forth below by the targets for the Portfolio program:

1. By May 15th of 9th grade, students should have completed 20 hours.
2. By May 15th of 10th grade, students should have completed 40 hours.
3. By May 15th of 11th grade, students should have completed 70 hours.
4. Students must complete one hundred hours by May 15 of their graduation year.

Community service may be completed on campus or in the student’s community. The Thurgood Marshall Academy Programs Office and Office of Student Affairs periodically arrange for community service projects for students. Community service hours must be submitted by May 15 of the current academic year to be counted for portfolio requirements.

In order to receive credit for community service, students must have hours documented through the “x2vol” online program. Information regarding this program may be found on the school website. Community Service may only be performed at a 501(c)(3) non-profit organization or government agency and must be verified by an adult using the online portal. The verifying adult may not be an immediate family member (parent, guardian or sibling). Only community service hours earned after the conclusion of middle school will be counted towards graduation requirements.

Conduct

Students who have accumulated 20 or more discipline infraction points will not be promoted to the next grade. For a more detailed description of this process, please see the section on the Code of Conduct.

Portfolio

The portfolio is a collection of work and reflective assignments that a student has completed throughout the school year. The portfolio process includes: subject area academic work, citizenship and academic goal tracking and reflection, as well as college and career preparation components, all which are graded by his/her advisor and submitted each quarter. There is a different set of requirements for each grade level. Students compile their portfolios throughout the year and are assisted with this process during Advisory. New students present two times per year, once each semester. Returning students present at the end of each year. The purposes of portfolio presentations include developing student abilities in achievement, reflection, and presentation as well as to display student progress to family members and the Thurgood Marshall Academy community.
Thurgood Marshall Academy students must complete 1.0 credit of portfolio in order to graduate. Students complete .25 credits of portfolio each year at each grade level. New tenth grade students complete .25 credits at the end of first semester and .25 credits at the end of second semester. New eleventh grade students complete .25 credits at the end of first semester, .25 credits at the end of second semester junior year, .25 credits in the fall of senior year, and .25 credits in the spring of senior year.

**Student Schedules**

Students receive course request forms in the spring of each school year along with the Course Catalog. This is the student’s opportunity to select courses for the following school year. Student schedules are created based on student’s graduation needs and academic abilities. Students in the senior year have priority for course scheduling.

Each year a course add/drop period is offered for student schedule changes. To request a schedule change, the student must complete the Schedule Change Request Form in the main office and submit during the add/drop period. All requests will be reviewed, but a request does not guarantee a change in schedule. Requests to change teachers will not be honored. **No schedule changes will be considered after the add/drop period.**
Student Uniform Policy

Virtually all professions have either explicit or implicit standards of dress, and Thurgood Marshall Academy is no exception. Students must abide by the uniform code every day.

Students are required to wear a school uniform each day. The uniform shirt must be purchased from RISSE Brothers. During cold weather months, students may only wear the Thurgood Marshall Academy uniform sweater or fleece, which may be purchased through RISSE Brothers. Financial assistance for uniform purchases is available.

The student uniform policy also requires additional items that must be purchased by the student or his or her parent/guardian. Please consult the daily uniform code below.

Students who do not come to school dressed in the school uniform, but have uniform clothing available in their locker will be asked to retrieve the appropriate clothing and will receive a detention. If students do not enter the school building in proper uniform, they will be issued a detention for coming to school out of uniform. The school will not be responsible for any item(s) that students leave or place in “waiting” while they retrieve proper clothing. It is the student’s responsibility to enter the school building in proper uniform daily.

In the event of emergencies or extenuating circumstances, students will be allowed to borrow uniform items from the deans. Loaner items must be returned at the end of the day on the same day it was borrowed or within the time frame agreed upon. Students will be billed for all unreturned items. In the event a loaner item is offered and the student refuses or chooses not to use the loaner item and remain out of compliance, s/he will be sent to ISS. Students utilizing the loaner policy will be given a detention.

Thurgood Marshall Academy is a significant time commitment, but by enrolling, students have pledged to accept our extended hours, and families have agreed to support students in this endeavor.

Our school day begins at 8:45 am (optional breakfast is served from 8:00–8:30 am), and ends at either 3:30 pm or 4:00 pm.

Students who are absent from school are not permitted to:

1. Be on school property
2. Participate in school activities
3. Attend school activities and/or after school activities

**Late Arrival**

If a student is not present and in his or her seat in his or her first or fifth period class by 8:45 am, that student is considered tardy.

When a student arrives after 8:45, s/he must show and scan their student ID sign in at the security desk, obtain a tardy pass and check in with the attendance officer if arriving at 9:15 am. Students must obtain a tardy pass and present the tardy pass to their teachers in order to be admitted to class. The pass is valid for three minutes from when it is written.

**Tardy Policy**

The following procedures apply if a student is tardy (not in the classroom by the starting time of the period) to any class:

(1) When a student accrues three unexcused tardies (to first period and/or any period/advisory), s/he will receive (1) infraction point. Tardy students will not have to serve detention, but infraction points will still accumulate. Tardy students can earn merits and/or attend discipline class to reduce their infraction points.
(2) For every additional tardy to each class period/advisory during that month, students will be assigned an additional infraction point.
(3) If a student is late to class and does not have a pass, s/he may not be admitted to class. Students must report to the security desk to obtain an unexcused tardy pass.
(4) If a student is in the hallway without a pass 10 minutes after the beginning of any period or lunch, the student is considered to be skipping class and will be assigned to In-school Suspension for a portion or the remainder of the day.

Early Dismissal

In the rare event that a student needs an early dismissal, the following procedures must be followed:

- A parent/guardian must send documentation in writing to the attendance officer. The attendance officer will verify the documentation and approve or deny the early dismissal.
- The student will be considered excused if the dismissal is for a reason that is in accordance with the excused absence policy.
  
  If a student becomes ill during the school day, Thurgood Marshall Academy’s part-time, on-site nurse may be able to address the student’s needs. If a student is too ill to remain in school and needs to leave school, a parent/guardian will be contacted. **Early dismissals are only granted when requested from a parent/guardian and/or emergency contacts that are documented during the enrollment process.**

To ensure the safety and security of our school community, no in-person or phone early dismissals will be processed after 3:00 pm daily (3:30 on Tuesday). This minimizes classroom distractions at the end of the day and allows our security staff adequate time to prepare for student dismissal.

*Students are not allowed to leave school by telephone request or written note alone, the attendance officer must approve the early dismissal and provide the student with an early dismissal form prior to exiting the building.*

Attendance Failure Policy

More than five (5) unexcused absences (excused and/or unexcused) in any quarter in a single-blocked class or more than ten (10) unexcused absences in any quarter in a double-blocked class particular class may result in an automatic grade of “F” assigned for that quarter in that class. Students with documented medical absences in excess of five days in a quarter will be exempt from the attendance failure policy.

Students and parents/guardians may appeal an attendance failure by following the appeals procedure. Appeals procedures may be requested from Ms. Hutchinson and are available in the main office.

Excused Absences (count towards total number of absences)

- Death in the student’s immediate family (verification required);
- Illness of the student (a doctor’s certificate is required for a student absent more than two consecutive days);
- Observance of a religious holiday;
• Out-of-School Suspension or In-School Suspension;
• Medical reasons such as a doctor’s appointment (a doctor’s note should be provided when the student returns to school);
• Other absences approved in advance by the Thurgood Marshall Academy administration upon the written request of a parent/guardian;

Student employment or related absences are not excused absences.

Documenting an Excused Absence

When a student returns to school after an absence, s/he should place a completed Request to Excuse Student Absence Form along with any supporting documentation in the Correspondence Drop Box. The note should include the date(s) of the absence, the reason for the absence, and any required documentation. An original doctor’s certificate should be provided for medical appointments scheduled during the school day or absences due to illness totaling three or more days. Any student who is absent 10 or more days, unexcused, is defined as chronically truant. Thurgood Marshall Academy follows the District of Columbia policy for reporting chronically truant students to court social services or the Child and Family Services Agency (CFSA).

IT IS THE STUDENT’S RESPONSIBILITY TO OBTAIN MAKE-UP WORK FROM TEACHERS.

Truancy

Truancy is the willful absence from school by a minor (5–18 years of age) with or without parental approval, knowledge, or consent.

A truant is a minor (5–18 years of age) who, without a valid reason and with or without parental knowledge or consent, does not attend school. A student is considered chronically truant when he or she accumulates 10 or more unexcused absences in one school year. Students between the ages of 14 and 18 who accumulate 15 or more absences will be referred to DC Court Services for truancy. Students under the age of 14 will be reported to CFSA, per District of Columbia policy.

Truancy Enforcement

All uniformed law enforcement officers in the District are responsible for truancy enforcement.

• If a truant is picked up by the police, s/he will be transported in a police vehicle to the school.
• Parents/guardians are notified of the student’s truancy status.
• Parents/guardians and students may be required to attend a truancy conference.

Consequences of Poor School Attendance
Missing school may result in:
1) Poor work habits
2) Lower grades/loss of credit
3) Frustration in learning
4) Dropping out of school

Student Responsibilities

1) Arrive on time to school each day;
2) Attend all classes daily;
3) Assume responsibility for behavior which supports regular attendance;
4) Come to school each day ready to learn and prepared with all required materials.

Consequences of Absences

We understand that children get sick and that emergencies come up, but good attendance is critical to their education. Please be aware that the following are part of the Thurgood Marshall Academy attendance policy:

- If a student has 20 or more unexcused absences (consecutive), s/he may be administratively un-enrolled after documented notice to the family of such a withdrawal.
- If a student has 15 or more unexcused absences (consecutive or non-consecutive), we will make a referral to Court Services (students 14 – 18 years of age).
- **Students who are un-enrolled will not be eligible to return to Thurgood Marshall Academy for the school year in which they were un-enrolled.** If an un-enrolled student wants to return to Thurgood Marshall Academy for the next school year, s/he will need to reapply through the normal admissions process. Additionally, students will be required to participate in activities that do not interfere with their medical situation when possible or complete alternative tasks or activities when injury prohibits participating in class activities.

For more than three days of not participating due to illness, students are required to have a note from their doctor. These notes should be presented to the PE teacher and the school nurse. The teacher will make arrangements for the student to complete alternative Physical Education assignments.

Items found in a student’s locker after the time frame designated will be returned to Lost and Found Box.

Students are expected to dress for class even when they are limited from participating physically (unless permanent or temporary handicap makes it impossible). Thurgood Marshall Academy Code of Conduct

The primary objectives of the disciplinary system at Thurgood Marshall Academy are to support a quality learning environment and instill a sense of responsibility and self-discipline in all Thurgood Marshall Academy students. Students are expected to enter the school each day ready to learn and to behave with respect and cooperation toward other members of the Thurgood Marshall Academy community. It is everyone’s responsibility to build and support the school community through positive behavior. A guiding principle is that Thurgood Marshall Academy is a place for learning and getting along together.

A full description of the Thurgood Marshall Academy Code of Conduct is provided in order to give students and families a clear understanding of the expectations of students and the consequences of failing to meet these expectations. Students are expected to comply with the Code of Conduct at all times while under the jurisdiction of Thurgood Marshall Academy, including all activities during the school day, all supplemental programs, all extracurricular activities, and all school functions both on- and off-campus.

At the end of the school day, students are expected to leave the building in an organized and respectful fashion. Students should be aware that all Code of Conduct rules apply when they are leaving the building and on the school grounds, and continue to apply until they have arrived at their home or other destination. Students who violate the Code of Conduct on their way home or outside of school may earn disciplinary consequences in accordance with school policies and relevant laws or regulations.

Guiding Principles of Good Citizenship

Throughout the year, the following principles will be emphasized:

- Character is defined by what one does; not what one says or believes.
- Every choice a student makes helps define the kind of person one is.
- Good character requires doing the right thing, even when it is costly or unpopular.
- What one does matters, and one person can make a difference.
- The payoff for good character is that it makes one a better person and it makes the world a better place.

Character Matters

The faculty and staff will promote and recognize good citizenship, and students will receive “merits” and other incentives for demonstrating positive character traits, such as:

<th>Fairness/Justice</th>

<th>Perseverance</th>

If a student is found to violate a Category III violation of the Thurgood Marshall Academy Code of Conduct, the following disciplinary measures may be taken:

• Out-of-School Suspension and parent/guardian conference
• Out-of-School Suspension and discipline class
• Restorative option, as appropriate
• Expulsion

Refusal to Comply with School Personnel

Students are expected to comply with all reasonable requests made by school personnel. Student refusal to comply constitutes an admission of fault and/or guilt and insubordination. Those who choose not to comply will receive consequences commensurate with the Code of Conduct violation of which they have been accused.

Bullying, Sexual Harassment, Cyber Bullying, Threatening, Fighting or Promotion of Fighting or other Violent Behavior

In the interest of preserving the safety of the students and staff at Thurgood Marshall Academy, the school has a clear anti-violence policy. Harassing, threatening bullying, cyber-bullying, and promoting fighting or other violent behavior, and fighting are taken very seriously.

Bullying, intimidation, or harassment is defined as any severe, persistent, or pervasive physical, electronic, or verbal conduct, including but not limited to harassment based on a student’s actual or perceived race, color, ethnicity, religion, national origin, sex, age, marital status, personal appearance, sexual orientation, gender identity/expression, genetic information, disability, or any other distinguishing characteristic, or based on association with a person or group with any of the actual or perceived characteristics listed above.

It is directed toward a student(s) that has or can be reasonably predicted to have the effect of one or more of the following:
• Placing the student(s) in reasonable fear of physical harm to the student’s person or property;
• Causing a substantially detrimental effect on the student’s physical or mental health;
• Substantially interfering with the student’s academic performance; or
• Substantially interfering with the student’s ability to participate in or benefit from the services, activities, or privileges provided by a school.
Sexual harassment is defined as, but not limited to verbal or nonverbal unwelcomed sexual advances or sexual behavior that substantially interferes with a student’s education, or creates an intimidating or hostile environment. Sexual harassment is prohibited at Thurgood Marshall Academy.

Cyber bullying is defined as the use of information and communication technology to bully, embarrasses, threaten, or harass another. It also includes the use of information and communication technology to engage in conduct or behavior that is derogatory, defamatory, degrading, illegal, and/or abusive.

The use of cell phones and other technology—including computers, e-mail and social networking sites—to harass, bully, threaten or defame a student or employee is specifically prohibited. Any student who feels s/he is a victim of cyberbullying should report the incident to his or her Divisional Dean.

Any student found complicit in the posting, sending, or execution of such material will be subject to disciplinary action as defined in the Thurgood Marshall Academy Code of Conduct.

Threatening behavior is defined as an expressed or implied threat (verbally, physically, electronically, or in writing) to interfere with: 1) the health or safety of any individual associated with Thurgood Marshall Academy; 2) with Thurgood Marshall Academy property; or 3) property on Thurgood Marshall Academy premises belonging to others. Any student who engages in threatening behavior will be subject to serious disciplinary action, including suspension and/or expulsion.

Threat/False Threat - No student shall make any threat through written or verbal language, sign, or act which conveys a serious expression of intent to cause harm or violence. Furthermore, no student shall make a false threat of harm or violence, even jokingly, which causes or is reasonably likely to cause fear or a disruption to school activities. All threats and false threats will be subject to serious disciplinary action.

Promoting fighting or other violent behavior is defined as the use of passive or active: resistance, noise, threat, fear, intimidation, coercion, force, violence, recording devices, social media, electronic devices, or any other form of conduct that causes the disruption of any lawful function, mission, or process of the school.

Fighting is defined as the exertion of physical force to harm someone or potentially harm someone. Fighting is one of the most egregious violations of the Code of Conduct. If a student engages in a fight, s/he is subject to serious consequences, including expulsion.

Unless the administration determines, without doubt, that any participant in a physical altercation is clearly defending himself/herself from an aggressor or aggressors and had no other option as
determined by using a “reasonable” standard, then the physical altercation will be considered a fight in which all parties share equal responsibility.

All of the above mentioned behaviors are Category III violations and may be subject to expulsion.

Instead of threatening or fighting someone, there are a number of ways that a conflict can be resolved. For example:

- Inform your Dean, a security guard, your advisor, a favorite teacher, or any other adult in the building and seek out conflict resolution.
- Walk away from a situation that appears to be escalating, then seek out assistance.
- Count to 10 and take deep breaths until you get your emotions under control.
- If you have difficulty managing your anger, you could meet with the school counselor.
- Request mediation between you and the other person with whom you have an issue.

These are just a few suggestions that enable a potentially violent situation from escalating.

Consequences:

Restorative Practices

When applicable, TMA may use the Restorative Practice method when assigning consequences to students. A restorative pathway is a pathway that repairs the harm that has been done to the community through one’s negative behavior or interactions. The responsible administrator/dean will determine if the restorative disposition will be in addition to an already assigned consequence or in lieu of a more severe consequence.

Peer Court

Peer Court is an alternative school disciplinary process permitting students to render restorative dispositions to their peers for minor school violations. It is the role of Peer Court to teach fellow students that their behavior has harmed specific individuals and the community. TMA will utilize this option when appropriate as a means of repairing the harm done to the community. Students have the right to opt out of Peer Court. When a student chooses not to participate in this restorative practice, regular consequences as per the Code of Conduct will be imposed.

Detentions

Detentions are held daily after school for 40 minutes. Students will report to the designated room within five minutes of being dismissed at the end of the school day. A detention list will also be posted each day in a consistent, common location for student reference. An automated message
will also be used to communicate to parents of students who are on the detention list and when they should serve their detention. Each detention is equal to one infraction point.

A student who fails to serve a detention will be reassigned once to serve that detention. Once the detention has been reassigned the detention now becomes mandatory. All mandatory detentions will be highlighted in gray on the detention list. If s/he does not serve this detention, s/he may receive additional consequences as follows:

- First – Third offenses— 1 period In-School Suspension (as assigned by Divisional Dean)
- Fourth offense — 2 periods In-School (as assigned by Divisional Dean) and parent conference/call
- Fifth and sixth offenses – In-School Suspension (full day), student contract, and parent conference/call
- Seventh and subsequent offenses—Out-of-School Suspension

Students who do not comply with the rules of detention may be asked to leave. Students who have been asked to leave will serve an In-School-Suspension or Out-of-School Suspension as warranted by the behavior.

Suspension:

In-School Suspensions

During an In-School Suspension (ISS), the student remains in school but is not permitted contact with other students, in order to provide the opportunity for individual behavior modification. ISS is assigned by the Divisional Dean or a school Administrator and may last from one to three days. Each ISS assignment is equal to three infraction points. While in ISS, students will not be allowed to participate in any school activities but will have access to education materials and are expected to complete their missed work for the day as well as an ISS work packet. Failure to complete ISS work or to follow ISS rules will result in additional ISS days, accumulating additional infraction points and/or Out-of-School Suspension.

After a total of four ISS assignments, students will be assigned an Out-of-School Suspension for each Category II or III violation of the Code of Conduct for the rest of the semester if the infraction warrants an ISS, with the exception of Category II violation of skipping detention.

Out-of-School Suspension

Out-of-School Suspension (OSS) is reserved for our most serious violations of the School Code of Conduct and involves separation from the school and all school activities for a specified period of time, which is determined by the Divisional Dean, Head of School, or Executive Director. Each OSS assignment is equal to four infraction points. The primary intent is to keep our community safe and also impress upon the student and parent/guardian that a serious behavior problem exists and that steps must be taken to ensure that the behavior is not repeated.
Before a student is suspended, an informal conference will be held that will include the following:

- Oral or written notice of the Code of Conduct violation for which the suspension is considered
- An explanation of the evidence or facts for the suspension
- An opportunity for the student to tell his/her side of the story
- If a suspension is given, the reason for the suspension

If a student is suspended, the following steps will be taken:

1. The parent/guardian will be contacted by the Divisional Dean or another school administrator and will be asked to pick up the student as soon as possible or to grant permission to send the student home. The Student Affairs Office will inform the student and his or her parent/guardian of the length of suspension and applicable procedures regarding the suspension.
2. Thurgood Marshall Academy will send a written notice of suspension, which will include an offer to meet with the parents as soon as possible and the date for a conference of readmission to the parent/guardian, if requested by the school or parent. The notice will be given to the student if the student is 18 or older. The notice may be sent home with the student who is under 18 years of age once the parent/guardian has been notified of the suspension by a school administrator via phone and/or in person.
3. The student and parent/guardian may be asked to meet with the school administrators or and/or the Divisional Dean and other appropriate staff before the student will be allowed to return to school. During this meeting a student may be placed on disciplinary probation and/or a behavioral contract. If a student is already on a behavior contract, the student’s status at Thurgood Marshall Academy will be evaluated.
4. When a student is serving an OSS, s/he may not be on school grounds before school, during the school day, or after school.

A manifestation determination meeting will be held for any student with an IEP per IDEA guidelines.

**Special Notes of Concern Regarding Counting Suspension Days**

Suspension days shall be counted as follows:

- The day the student left school should be counted as a part of the suspension, provided he/she was denied class participation before 12 noon of that day.
- The suspension shall terminate at midnight on the day listed as the last day of suspension.
- Times when school is not officially scheduled are not to be counted as part of the suspension time. (Should school be cancelled for any reason during a scheduled suspension day, the suspension will lengthen to include the time school was actually in session.)
Make Up Work for Suspension

Students who are suspended shall be offered make-up work assignments and may receive help on assignments by contacting the teacher via email or calling the teacher before or after school. Reasonable efforts will be made to provide the work for the student, but it is the responsibility of the parent/guardian to contact the school and make arrangements for the receipt and return of all assignments. In the case of long-term suspensions, unless other arrangements are made, teachers are to give work in two-week increments, and students must complete and return work before receiving additional work. In high school, credits may be awarded depending on the quality of the work.

Participation at School and School Related Activities During Suspension

Students who have been suspended from school shall not be eligible to participate in any school functions for the entire period of their suspension.

Disciplinary Probation

A student who has committed repeated violations of the Code of Conduct or a major violation of the Code of Conduct may be placed on disciplinary probation. Prior to the imposition of disciplinary probation, Thurgood Marshall Academy will provide the student and his/her parents with an opportunity for an informal conference as in the case of suspension, above. If placed on disciplinary probation, the student and his/her parent/guardian will be notified in writing that the student has violated school policy and that future violations will incur more stringent disciplinary action, up to and including expulsion from Thurgood Marshall Academy.

If, while on Disciplinary Probation or a Final Probation contract, a student violates another major school policy, s/he may be expelled. Each violation is treated on a case-by-case basis.

The length of disciplinary probation and its conditions will be determined individually for each student by the Administration. **Probation is a serious status with severe consequences. Students can be expelled for violations of disciplinary probation and behavior contracts.**

A student’s Dean will make reasonable attempts (three phone calls or written communications or email or any other form of contact) to contact a parent/guardian regarding a student’s Disciplinary Probation status. **If a parent fails to communicate and/or refuses to sign a contract, the contract shall be enacted.** A final copy of the contract will be provided to the parent/guardian.

**Steps in Disciplinary Probation:**

- **Step 1:** After a student is placed on disciplinary probation, s/he will be required to attend a conference with the Divisional Dean and/or another member of the Administrative team

75
and his/her parent/guardian. During this conference a Disciplinary Probation contract will be signed stating behavioral goals and/or a timeline for meeting behavioral goals (e.g. no ISS or OSS and fewer than three detentions).

- If a student *meets* the stated expectations of the Disciplinary Probation s/he will be reviewed by their Divisional Dean and/or Administration at which point s/he may be removed from Disciplinary Probation.
- If a student *fails to meet* the state goals of the Disciplinary Probation contract will result in further action which may include a Final Probation contract or expulsion from Thurgood Marshall Academy.

**Step 2:** If the student violates Disciplinary Probation, s/he may be placed on a Final Probation Contract, if the violation does not warrant expulsion. This contract is a serious document that makes clear that repeated minor or major violations of the Code of Conduct could result in expulsion from Thurgood Marshall Academy.

- If a student *meets* the stated expectations of the Final Probation contract, s/he will be reviewed by their Divisional Dean and/or Administration at which point s/he will be placed on Disciplinary Probation.
- If a student *fails to meet* the stated goals of the Final Probation contract s/he will come before a Disciplinary Hearing which will review the student’s behavior to date and make necessary recommendations which could result in expulsion from Thurgood Marshall Academy.

**Expulsion**

Students may be expelled for:

- Extreme violations of the Code of Conduct that significantly harm the educational environment of Thurgood Marshall Academy or harm the safety or security of Thurgood Marshall Academy students, staff, faculty, or others associated with Thurgood Marshall Academy.
- Any Category III violation.
- Repeated violations of the Code of Conduct after appropriate remediation have been attempted.
- Violation of Disciplinary Probation or a Final Probation Contract.
- Violations of the federal Gun Free School Act.

**Discipline Due Process**

The decision to suspend a student shall be made by a school administrator (e.g. Dean, Director of Student Affairs, Head of School, Executive Director) without the recommendation of the student’s teacher or other staff. The administrator issuing the suspension will determine the number of days for suspension based on the severity of the infraction and previous infractions. The suspension shall become effective immediately unless otherwise stated by the administrator issuing the suspension. See special notes regarding Counting Suspension Days.
Prior to making the recommendation for expulsion, the administrator may elect to hold a meeting with the student, family and any other advocates to determine if there is an appropriate restorative option available as a consequence. The decision to convene such a meeting is the sole discretion of the administrator, but a family may request consideration for such a meeting.

The decision to recommend a student for expulsion shall be made by the student’s Dean, Director of Student Affairs, Head of School, or Executive Director without the recommendation of the student’s teacher or other staff. In recommending expulsion, the administrator will consider the severity of the infraction, the Code of Conduct, the student’s previous infractions, any student Discipline contracts, and the student’s age. A student recommended for an expulsion will have a Disciplinary Review Meeting to review the recommendation. The individuals from the school participating in the Discipline Review Meeting will make a final decision as to the student’s expulsion.

When a student commits an offense that is eligible for a long-term suspension or expulsion an investigation into the offense shall be conducted by a Dean, or another school administrator. A student may be suspended during the investigation with further consequences issued after the full investigation is completed. The investigation shall include:

- Notifying the student of the infraction(s)
- Collecting information from the student and other persons who have knowledge of the incident
- Allowing the students involved an opportunity to provide a statement or explanation of the incident

The Dean or administrator conducting the investigation will determine the accuracy of the infractions(s) based on this information.

Students for whom long-term suspension (more than 6 days) or expulsion is being considered will be given notice and an opportunity to be heard in the form of a Discipline Review Meeting before a final decision regarding long-term suspension or expulsion is made. For students facing suspension of less than 6 days, prior to issuing the suspension the Dean, or other administrator, will meet with the student, notify the student of what he/she is accused of doing and the information that the school has to believe that the student engaged in such behavior, and give the student an opportunity to present his/her side of the story or explanation for his/her behavior. After this meeting, the Dean or other school administrator will issue written notice to the parent detailing the length of and reason for the suspension. If the student is 18 or older the notice will be issued to the student. The Dean or other school administrator may notify the parent/guardian of the suspension via phone or email in addition to providing written notification. Written notification may be given to the student if he/she is under 18 when the parent/guardian is notified by phone/email of the suspension.

For students facing suspension of 6 days or more, including expulsion, a Dean or another school administrator will meet with the student, notify the student of what he/she is accused of doing
and the information that the school has to believe that the student engaged in such behavior, and give the student an opportunity to present his/her side of the story or explanation for his/her behavior. If necessary, the Dean or other administrator will conduct an investigation into the circumstances of the student’s behavior and any explanation provided by the student. At the Dean’s or other administrator’s discretion, the student may be suspended pending the results of this investigation and recommendation for further disciplinary action from the Dean or other administrator. This investigation will be completed within 3 business days and, if necessary, a Discipline Hearing will be scheduled after the completion of the investigation.

After the meeting with the student and any investigation, the Dean, or other administrator, will issue written notice to the parent with a recommendation for long term suspension or expulsion and the reason for this recommendation. This notice will explain the information that is being relied on as a basis for the recommendation. If the student is 18 or older, the notice will be issued to the student. The Dean or other school administrator may notify the parent/guardian of the suspension/expulsion via phone or email in addition to providing written notification. Written notification may be given to the student if he/she is under 18 when the parent/guardian is notified by phone/email of the suspension/expulsion. Any parent/guardian meetings may occur by phone.

Within 10 school days of the recommendation for long term suspension or expulsion, a Discipline Review Meeting will be held to make a final determination about the disciplinary action proposed.

**Discipline Review Meeting**

If a student is recommended for a Disciplinary Review Meeting, the following process will occur to review the recommendation for a long-term (6+ day suspension) or expulsion:

The members of the staff and faculty at the Discipline Review Meeting serve as an impartial decision making body. The meetings are closed to the public but students may have family, mentors and advocates attend. During the hearing, a school administrator(s) will carry out the following procedures:

1. A statement of the Code of Conduct violation and summary of the meeting procedure.
2. An explanation and review of the evidence or facts for which potential expulsion is being considered. If video footage is available of the incident, the panel will view the footage.
3. The student may present any information that he/she wants to the school to consider. The staff may ask questions regarding the matter to anyone present at the hearing. An advocate may speak on the student’s behalf. The student has the right not to speak on his/her own behalf. Neither the school’s representative at the hearing nor the student nor his/her representative(s) will be given the opportunity for cross-examination during the hearing.
4. Within one business day of the conclusion of the hearing, the staff present will make a determination regarding the consequence. The decision will be effective immediately.
5. The student/family will be informed of the decision via phone within 2 school days of the conclusion of the hearing and written notification will be mailed within three (3) school days of the decision. This notice will contain information regarding appeal procedures.

6. If a parent/guardian does not request a hearing, or fails to attend the hearing at the scheduled date, time, and place, the right to a hearing may be waived. Therefore, the school will proceed with its determination regarding the proposed infraction and the ruling of the Disciplinary Review Panel. The findings from the hearing will be approved and take effect immediately.

In making its decision, the staff will review evidence presented at the meeting, any statements heard on behalf of the school or student, the Thurgood Marshall Academy Code of Conduct, and prior conduct and/or academic performance, if applicable. When reaching a conclusion about the incident in question, the panel will consider whether the information presented is sufficient to proceed and recommend action. The panel will use a “more likely than not” standard of proof when evaluating all of the information presented.

**Discipline Appeal**

Any student who is expelled or receives a long term suspension (more than 6 days) has the right to appeal the decision in writing to the Chairperson of Thurgood Marshall Academy’s Board of Trustees within five (5) school days of the written notice of expulsion being issued. The following process shall be implemented for all appeals.

1. An appeal hearing date will be set within seven (7) school days of the receipt of the Appeal request.
2. The appeal hearing date will occur within thirty (30) calendar days from the date of the hearing being set.
3. Appeal hearings will be heard by three members of the Board of Trustees, the “Appeal Panel.” A faculty/staff member with familiarity with the school may replace one of the Board of Trustees on the “Appeal Panel” based on the discretion of the Board Chair.
4. The student may be represented by his/her parent/guardian and one additional advocate.
5. The student has the right to speak on his/her behalf at the Appeal Hearing. The student may choose not to speak at the Appeal Hearing.
6. The student may not return to Thurgood Marshall Academy and participate in school activities while an appeal is pending.
7. Appeal hearings are closed to the public.
8. If a parent/guardian fails to appear at the Appeal Hearing the right to appeal is waived, and the original disciplinary decision will stand.

In making its decision, the three-member Appeal Panel will:

1. Review all evidence, and documentation regarding the incident and the school’s investigation;
2. Review any statements heard at the Discipline Review Meeting on behalf of the school or student;

Thurgood Marshall Academy Public Charter High School- Updated July 12, 2019
79
4. The panel may ask questions regarding the matter to anyone present at the hearing. One advocate may speak on the student’s behalf. The student has the right not to speak on his/her own behalf. Neither the school’s representative at the hearing nor the student nor his/her representative(s) will be given the opportunity for cross-examination during the hearing.

If the expulsion is overturned, the cumulative record of the student and any other school-maintained records will reflect that conclusion. If the Appeal Panel upholds the expulsion, the expulsion shall be imposed, and such decision will be final. Decisions made by the Appeal Panel will be final.

**Special Notes Regarding Audio/Video Recording of Discipline Review Panels (DRP) and Appeal Hearings**

All disciplinary hearings are closed to the public. As such, hearings may not be recorded using a video or audio recording device under any circumstances and may only be audio-recorded as required to provide accommodations by the Americans with Disabilities Act (ADA) or section 504 of the Rehabilitation Act. A written request must be made 48 hours prior to the hearing to audio-record the hearing to the student’s Dean.

**Participation at School and School Related Activities and Re-Enrollment**

Students who have been expelled from Thurgood Marshall Academy shall not be eligible to participate or attend any school functions. Unless otherwise noted in the decision, students will not be eligible to re-enroll for a period of one full calendar year.

**Procedures for Suspending and Expelling Students with Disabilities**

Students with disabilities have the same behavior responsibilities as other students, and may be disciplined for the same behavioral offenses. In accordance with IDEA, if the student is recommended for a suspension that will result in the student being suspended for more than 10 days in the school year, a multidisciplinary team will hold a manifestation meeting to determine whether the incident was a manifestation of their disability. The school will call the family to schedule the meeting and provide documents in advance. If it is determined that the student’s behavior is a manifestation of the student’s disability, the student—absent extenuating circumstances as defined by IDEA—will be permitted to return to school, unless the team decides otherwise. If it is determined that the student’s behavior is not a manifestation of his/her disability, the student’s file will be reviewed to determine disciplinary action consistent with the policies outlined in this section (including suspension and expulsion as warranted). Students with disabilities who are suspended for more than 10 days in a school year will receive services in an interim educational setting for any subsequent days of suspension.
If you have questions about the process, you may contact the Special Education Coordinator at 202-563-6862. A copy of the procedural safeguards available to students with disabilities is available online at www.thurgoodmarshallacademy.org.
Thurgood Marshall Academy Academic Honor Code

The life of a Thurgood Marshall Academy PCHS student is based on the broad principle of honor; we at Thurgood Marshall Academy demand a high standard of honesty and conduct from each of our students.

Academic Dishonesty

Academic dishonesty is a corrosive force in academic life. It jeopardizes the quality of education, undermines the learning process, and devalues the genuine achievements of others. The school community—which includes teachers, staff, administration, parents, and students—will hold students to the highest standards of academic integrity and will not tolerate academic dishonesty in any form. Academic dishonesty includes, but is not limited to: copying from any other source including another student’s work, from tests, class work, homework paper, texts, lab work, computer disks, web sites, or other electronic sources. Each of the following is an act of academic dishonesty; however, this is not an inclusive list.

A. Cheating
Cheating is defined as using dishonest methods to gain an advantage, which would include the use of all unauthorized materials, information or study aids in any academic exercise. The use of translation programs and websites as well as online dictionaries is prohibited by the Spanish Department.

B. Plagiarism
Plagiarism is defined as attempting to take credit for another’s ideas, words, productions, or other intellectual property without appropriately crediting that individual.

C. Facilitating Academic Dishonesty
Facilitating Academic Dishonesty is knowingly helping or attempting to help another to commit an act of academic dishonesty.

Violations of the Academic Honor Code result in serious consequences which are divided into three levels, determined by the weight of the assignments and the potential premeditation of the student.

Level One: First-time offenses for the following violations are usually handled by the teacher in the classroom and reported to the student’s Dean.

Level I violations include (but are not limited to):

- Copying homework or allowing another to copy one’s homework
- Looking on another’s test/quiz (“wandering eyes”)
- Working with others on a class work or homework assignment that was meant to be completed independently (including written, verbal, or technology-based assignments)
• Any form of verbal or non-verbal communication during a test/quiz

**Consequences for a first-time Level I offense will include the following:**
- The student will receive a zero on the assignment
- The student will receive a detention or ISS as warranted
- The violation will be recorded in the student’s conduct file
- The student may be required to complete a written assignment designed to enhance the student’s understanding of the importance of academic integrity
- More serious violations will result in parental notification

A second Level I violation (even if it is an offense of a different type or in a different class) suggests a pattern of academic dishonesty; therefore, it will be considered a Level II violation.

**Level Two: First-time offenses** for the following violations are reported to the student’s Dean. As an egregious act of academic dishonesty, specific consequences are handled by the administration with input from the faculty.

**Level II violations include (but are not limited to):**
- Plagiarizing from the Internet, written publications, or another student on a project, essay, or other major assignment
- Using an electronic translation program, website, or dictionary that has not been explicitly permitted by the teacher
- Using a “cheat sheet” on a test, quiz, or other in-class assessment
- Using secretive methods of receiving or giving questions and/or answers on a test/quiz (including electronic transmission of information)
- Working with others on a test, quiz, project, or paper that was meant to be completed independently
- Using unauthorized materials on a take-home test or quiz
- Copying another’s test/quiz or repeatedly allowing another to copy one’s test/quiz
- Misrepresentation and/or falsification of academic information (including grades) verbally or in writing
- A second Level I violation

**Consequences for a first-time Level II offense will include the following:**
- The student will receive a zero on the assignment
- The student will be suspended in school, the duration of which will be determined by the Divisional Dean and/or Head of School or referred for a restorative pathway
- The violation will result in parental notification and a parent conference will be offered
- The student may be required to complete a written assignment designed to enhance the student’s understanding of the importance of academic integrity
- The violation will result in an academic
A second or subsequent Level II violation (even if it is an offense of a different type or in a different class) suggests a pattern of premeditated academic dishonesty; therefore, it will be considered a Level III violation.

**Level Three:** These offenses are the most extreme given that they violate more than the Academic Honor Code; they are injurious to the entire school community. Level III acts of academic dishonesty are considered Category III violations of the Thurgood Marshall Academy Code of Conduct.

**Level III violations include (but are not limited to):**
- Stealing a quiz, test, project, or exam from a member of the faculty, staff, or study buddy
- Distribution of a stolen test, project, quiz, or exam
- Altering grades in a grade book (paper or electronic) or on a computer database
- A second or subsequent Level II violation
- Chronic (defined as three or more) Level I violations

**Consequences for a first-time Level III offense will include the following:**
- The student will receive a failing course grade for the quarter
- The student will be suspended in school, the duration of which will be determined by the Dean and/or Head of School or referred to a restorative pathway
- The Discipline Review Committee will convene to review the incident and make a recommendation regarding potential expulsion

For Level II and Level III violations, the parent/guardian and the student will be offered a conference with the Dean and/or another member of the Administrative team regarding the violation and the penalty. If at any point the student feels that the measures taken are unjustified, s/he may request of the Head of School that the matter be reviewed by the Honor Committee. The student, his or her parent/guardian, and the faculty member will each have the opportunity to present his or her case to the Honor Committee. The Honor Committee’s decision may result in a recommendation for further disciplinary action, including long-term suspension or expulsion.

**Disclosure of Infractions**

Counselors, as well as Thurgood Marshall Academy faculty and staff, are ethically and legally obligated to respond to any question or statement regarding any infraction of the Thurgood Marshall Honor Code and the District of Columbia Public Schools System’s Discipline Policy.

NetClassroom

Thurgood Marshall Academy offers online access to your student’s grades. If you are interested in accessing this feature, please send an email to kporter@tmapchs.org. In the email, be sure to include your name, your child’s name and your email address. Your username, password, and user instructions will be emailed to you upon receipt of all required information. Please keep the following notes in mind:

1. Each teacher computes his/her grades differently. For example, some teachers use a running point total while others use weighted percentages for computing grades. If you have questions about how a teacher’s grades are computed, please contact the teacher directly.

2. Grades provide a convenient way to assess your child’s progress in coursework but should not be taken as the final judgment of performance. We encourage you to use the grading information to begin conversations with your child about his/her progress.

3. Access to NetClassroom can be suspended for any student/families carrying a balance greater than $10.00 for more than two months. Families should work closely with the Operations Department to ensure that account balances are accurate. Families must make at least 50% of payment towards a bill to regain access to NetClassroom and balances must be below $150 after the 50% payment. Please review the school’s Payment Plan policy.

**NetClassroom Helps Keep You Informed**

NetClassroom gives you easy access to schedules, course grades, assignments, assignment grades, attendance, conduct, report cards, transcripts, the school calendar, and each department’s course catalog.

Find out when classes meet. To open the Schedule page, click Schedule from the “Classes” pushbutton on the navigation bar. On the Schedule page, you can view a student schedule for a specific academic year, session, and term.

Review grades in a previous or the current academic year. To open the Grades page, click Grades from the “Students” pushbutton on the navigation bar. On the Grades page, select an academic year and session to view marking column grades for each class. If a marking column displays a grade or check mark picture, click the entry to view assignment grades on the Grades—Assignments page.

On the Grades page, you can also click a teacher’s name to view contact information for the teacher on the Faculty Information page. On this page, you can click the listed e-mail address to contact the teacher by e-mail.

*Keep track of progress between report cards.* On the Grades - Assignments page, you can view a running marking column average and running category averages for a marking column and class. The Percent of Grade column displays the percentage of the grade each category is worth (such
as 20% for the Homework category, 20% for the Quizzes category, and 60% for the Tests category).

On the Grades—Assignments page, you can also view assignment grades. You can use the Category field to determine the assignments to appear. For example, select Tests in the Category field to display only assignments in the Tests category. To list each assignment grade as a percentage (score divided by maximum achievable score), you can select Percentage in the Grade to Display field. For example, if a student scores 20 out of a possible 25 points, the assignment grade displays as 80%. To list both the actual numeric score and the maximum achievable score for each assignment grade, you can select Actual Points in the Grade to Display field.

To open the Grades—Assignments page, click a marking column grade or check mark picture on the Grades page.

Verify the dates and details of homework assignments, quizzes, and tests. To open the Assignments page, click Assignments from the “Students” pushbutton on the navigation bar. On this page, you can view assignment dates and descriptions by day, week, or month. You can also select to view information for a specific class (such as MAT 101-1) or category (such as Tests). To open the Grades—Assignments page, select a class in the Grades for field and click Refresh.

Keep track of absences and tardies. To open the Attendance page, click Attendance from the “Students” pushbutton on the navigation bar. On this page, you can list attendance by day or class and to view in summary or detail. View this information frequently, especially because excessive absences can lead to a loss of credit in courses.

View conduct records. To open the Conduct page, click Conduct from the “Students” pushbutton on the navigation bar. On this page, you can view the date, infraction, consequence, the faculty/staff member who reported the infraction, the faculty/staff member assigned to the consequence, and the status of the consequence.

These grievance procedures do not bar individuals from filing claims in other forums to the extent permitted by state or federal law.

Thurgood Marshall Academy encourages individuals to discuss their concerns with appropriate school officials before resorting to a formal complaint. However, individuals are not required to do so before filing a formal complaint.

Thurgood Marshall Academy prohibits retaliation against individuals who file a complaint or participate in a complaint investigation.
A formal complaint may be filed by following the steps outlined below:

Upon receipt of the written notice of the complaint, the designated individual to whom the complaint was submitted will immediately initiate an adequate, reliable and impartial investigation of the complaint. Each investigation will include, as necessary, interviewing witnesses, obtaining documents and allowing parties to present evidence. All documentation related to the investigation will remain confidential.

Within thirty (30) business days of receiving the written notice of the complaint, the individual investigating the complaint will respond in writing to the complainant. Appendix: B

Eligibility Requirements for Student Athletics

Athletics offer an opportunity for students to develop their skills and interests, build relationships with peers, and enhance their self-esteem. Thurgood Marshall Academy will offer teams in co-ed flag football, girls’ volleyball, boys’ and girls’ basketball, co-ed track and field, and cheerleading. In order to participate, students must meet the standards below.

Thurgood Marshall Academy students are urged to study these standards carefully. Students themselves are responsible for compliance with these standards and must sign this form in order to participate. Additionally, this form must be signed by a parent or guardian and returned to the coach before try-outs begin.

Try-outs
Any Thurgood Marshall Academy student who wishes to participate in team sports for the 2017–2018 school year must try out. To learn more about individual team try-outs, students must attend the informational meeting of the sport in which they wish to participate. The coach will provide information about try-out times and sign-ups. Each student is responsible for being present at his/her designated try-out time.

Team Rules
Each coach will establish team-specific rules. Team rules will be distributed and discussed with participants at the informational meeting prior to the beginning of the competitive season. Students are expected to comply with team rules and might forfeit their eligibility through noncompliance.

Parent/Coach Preseason Meeting
Before the season begins, the coach will organize a meeting to provide parents with the following information:

- Philosophy of the coach
- Schedule and practice times
- Team requirements and rules
- Participant Code of Conduct

**Academic Requirements**
Students must maintain a GPA of 2.0 or higher. For the first quarter of the school year, eligibility will be based upon the first progress report. From then on, eligibility will be re-evaluated after every progress report and report card.

It is the responsibility of the athlete to submit a copy of his/her progress report or report card to the coach within one week of its issuance. Failure to do so will result in suspension from the team until the grades are submitted.

Grades recorded as “incomplete” as a result of legally excused absences or a teacher’s failure to grade all student-work will be considered passing until changed. Incomplete grades must be made up within two weeks after report cards are distributed unless other arrangements have been made.

**Attendance**
Students must attend all scheduled classes on the day of an athletic practice or game to be eligible to participate in extracurricular activities on that day. Exceptions to this rule may be made with the approval of the Academic Director or Athletic Director prior to the date of participation. Appropriate exceptions could include doctor/dentist appoint or similar extenuating circumstances.

Unexcused absences and/or chronic tardiness to school may be sufficient reasons for declaring a student ineligible at any time. This will be determined on a case-by-case basis by the Deans, Athletic Director, coach, and parent/guardian.

**Detention**
Students who are issued a detention must report the detention to the coach. The coach will determine if any additional disciplinary action is necessary.

**Suspension**
Students issued an In-School Suspension (ISS) will not be able to participate in extracurricular activities on the day of their suspension. The coach may determine if the student is allowed to participate in the next practice or game following the day of suspension.

Students given an Out-of-School Suspension (OSS) will not be permitted to participate in extracurricular activities for the duration of their suspension. The coach may determine if the student is allowed to participate in the next practice or game after the suspension is completed.

**Physical Exam/Health Insurance**
Each year, Thurgood Marshall Academy athletes must submit a physical examination form signed by a medical examiner, a parent or guardian, and the Thurgood Marshall Academy student before beginning practice for a school sport. Physical examinations are valid for one year from the date of
the exam. Athletes must also submit proof of health insurance to cover the period in which the student is involved in athletics and sign a Risk Release.

**Age Requirement**
Students who reach 19 years of age before September 1 of the current school year, will be ineligible to participate in Athletics.

**Conduct**
Thurgood Marshall Academy athletes are expected to take the responsibility and privilege of representing their school and community seriously, and must conform to the Thurgood Marshall Academy Code of Conduct while participating in interscholastic athletics.

If an athlete fails to conduct him/herself appropriately, s/he may be subject to ejection from a game. If an athlete is ejected, s/he will be ineligible to compete in all athletic events for the remainder of that day, as well as the next game.

If an athlete is ejected a second time in a season, s/he is subject to additional, stiffer penalties, including suspension from play for the remainder of the season.

Failure to meet behavior expectations in school may result in the student’s removal from the team (see *Detention* and *Suspension*).

**Communication**
There are situations that may require a meeting between the Athletic Director, coach, the athlete, and the parent/guardian. When these conferences are warranted, the following procedure should be followed to help resolve the concern:

- When appropriate, the athlete should first speak to the coach about his/her concern.
- If the coach-student meeting does not rectify the situation, the parent/guardian should be contacted to arrange a meeting.
- If the parent/guardian needs to discuss the issue further, the Athletic Director should be contacted.

**Equipment/Uniforms**
Student athletes are responsible for all school equipment and team uniforms checked out from the school during the sports season. All equipment/uniforms should be returned to the coach cleaned and in good condition within three days of the last game of the season. Athletes must pay to replace lost or damaged equipment or uniforms.

**Use of Alcohol, Tobacco, and Illegal Drugs**
The use of drugs, alcohol, or tobacco by an athlete during the season will result in disciplinary actions and possible dismissal from the team and school. At a minimum, any student with verified use, distribution, or possession of alcohol, tobacco, illegal drugs, or controlled substances on school property or at a school sanctioned event shall receive the disciplinary actions outlined in the Thurgood Marshall Academy Code of Conduct. Resumption of athletic activities will not resume until completion of the assigned consequence.
Detach and return this signed form to your coach.

I have read and understand the *Eligibility Requirements for Student Athletics.* I will keep a copy of the form for easy reference. I agree to abide by the requirements set forth in this contract.

The Internet is a useful tool and should be used as a resource. TMAPCHS will provide you with access to the Internet. The Internet is a powerful, worldwide computer network that can be used to send electronic mail and to view and display text as well as still and moving images.
Internet technology changes constantly as well as the laws that surround it. As the Internet and laws change TMAPCHS's policy will also change.

Students will be given access to a personal account on TMANET (or a similar network as determined by the school’s technology staff) which will allow them to store files securely. THE USE OF THE TMANET IS A PRIVILEGE, NOT A RIGHT. Inappropriate use will result in the cancellation of those privileges. The school administration has the right to define inappropriate use and their decision is final. The network administrators, faculty, and staff of TMAPCHS may request that school administrators deny, revoke, or suspend specific user accounts. The privilege of using TMAPCHS's network is based on the users' promise to adhere to the following appropriate use policy.

**Student Log-ins**
User IDs and passwords are keys to accessing data about you and your work for school. In the wrong hands, a user ID and password can be used to impersonate students online and take unauthorized action in a student's name. Except for authorized school system employees, it is against TMA policy for anyone to disclose their user ID and password.

1. Each student will be provided with a user account, which will enable access to school computers and to save information to the network.
2. Students will not share their log-in/password with others (do not write it down).
3. A generic password will be given initially. Students must change their passwords to prevent outside access to their account by others. Students should change their passwords often for security purposes.
4. Students should never allow anyone to use computer until they have completely logged-off. Students should never leave their computer unattended—always log-out first!
5. Students must notify the network administrator immediately if they suspect that their password has been compromised. Unless an administrator has been notified, a compromised password will not be accepted as an excuse for the violation of the acceptable use policy associated with your log-in.
6. Each student is responsible for all actions while logged-into the network.

**Student Internet Safety and Technology Responsible Use Agreement**

**Educational Enhancement**

a. Internet access is being provided by TMA for the sole intent of educational enhancement.

b. The Internet will be used strictly as a resource to enhance classroom instruction and high quality research; this means that the school reserves the right to monitor and place reasonable restrictions on the material accessed by students through the Internet.

c. During class, before and after school, during lunch, during tutoring, and during advisory, students may use the Internet for class-related work under the
supervision of an authorized adult for a class. The school’s schedule, network
downtime, or events will at times require exceptions to times when students may
access the Internet.

d. Thurgood Marshall Academy provides various technologies to access the
Internet. All student use of technologies, including but not limited to accessing
the Internet, must abide by the Acceptable Use Agreement.

Access to Materials

I. The Internet may be used to access materials under the following conditions:
   a. Internet is appropriately monitored.
   b. Students will receive instruction that is appropriate for their age regarding strategies
to avoid the inadvertent access of inappropriate material and what to do if they
accidentally access such material.
   c. Students may not access prohibited material at any time for any purpose. In
   agreement with the Children's Internet Protection Act, TMAPCHS designates the
   following types as prohibited materials:
      i. Obscene material(s)
      ii. Child pornography
      iii. Material that appeals to an unhealthy interest in, or depicts or describes
in a patently offensive way, violence, nudity, sex, death, or bodily
functions
      iv. Material that has been designated as for "adults" only
      v. Material that promotes or advocates illegal activities
      vi. Materials that include any cyber-bullying, sexting, or other inappropriate
content.
   d. Other materials not specifically named above will be deemed appropriate or
   inappropriate on a case-by-case basis. Decisions will be based upon age of
   student and relevance of content to curriculum.

II. If students mistakenly access inappropriate information, they should immediately
disclose this access to a teacher or supervising adult. This protects them against a claim
that they have intentionally violated this policy.

III. The school has installed a filter to protect against access to inappropriate material. The
determination of whether material is appropriate or inappropriate is based on the
content of the material and the intended use of the material, not on the protective
actions of the filter. If students think that the filter has prevented them from accessing
appropriate material, they may request that the material be viewed and, if appropriate,
unblocked.
Privacy and Communication Safety Requirements

Personal contact information includes name, together with other information that would reveal location and identity, including, but not limited to, parent's name, home address or location, work address, or phone number.

1. TMA students are not to disclose personal contact information, except to education institutions for educational purpose, companies or other entities for career development purposes, or with specific approval from school employees.
2. Students are not to disclose names, personal contact information, or any other private or personal information about other students under any circumstances. Students are not to forward a message that was sent to them privately without permission of the person who sent them the message.
3. Students must not agree to meet someone they have met online without a parent's approval and participation.
4. Students must promptly disclose to a teacher or other school employee any message they receive that is inappropriate or makes them feel uncomfortable. They should not delete such messages until instructed to do so by a school employee.

Illegal, Unauthorized, and Inappropriate Uses and Activities

I. Illegal Activities
   a. Students may not attempt to gain unauthorized access to the local area or wide area networked computer system beyond their authorized access. That is, this Agreement prohibits students from seeking any unauthorized access to any computer or network, including “hacking.” This includes attempting to log-in to any site/resource through another person's account or accessing another person's files.
   b. Students may not make deliberate attempts to disrupt any part of any computer system or destroy data by spreading computer viruses or by any other means.
   c. Students may not use the Internet or other TMAPCHS technology resources to engage in any other illegal act.

II. Inappropriate Language
    Restrictions against inappropriate language apply to all speech communicated through the Internet or other networks, including but not limited to public messages, private messages, and material posted on web pages.
    a. Students may not use obscene, profane, lewd, vulgar, rude, inflammatory, threatening, or disrespectful language.
    b. Students may not post information that could cause damage or a danger or disruption.
    c. Students may not engage in personal attacks, including prejudicial or discriminatory attacks.
    d. Students may not harass another person. Harassment is persistently acting in a manner that distresses or annoys another person. If students are told by a person to stop sending messages, the student must stop.
e. Students may not knowingly or recklessly post false or defamatory information about a person or organization.
f. Students may not knowingly or recklessly post personal information regarding any other person, including but not limited to minors.

III. Plagiarism and Copyright Infringement
   a. Students may not plagiarize works that they find on the Internet. (Plagiarism is taking the ideas or writings of others and presenting them as if they were original.)
   b. Students must respect the rights of copyright owners in the use of materials found on, disseminated through, or posted to the Internet. Copyright infringement occurs when students inappropriately reproduce a work that is protected by a copyright. Copyright law can be very confusing. If students have questions, they should communicate with a faculty/staff member.

IV. System Security
   a. The use of TMA’s technology to access any of the following types of websites without the prior written consent of a school administrator or the technology administrator is prohibited:
      i. Any site displaying sexually explicit or pornographic content of any kind.
      ii. Online games, including but not limited to gambling, fortune telling, lotteries, sweepstakes, and other games of chance;
      iii. Any site promoting violence, the use of controlled substance or other illegal activity;
      iv. Any site promoting a multi-level marketing, home based business or other money-making scheme, mass solicitations (known as “spam”), chain letters, or other similar communications;
      v. Any site promoting dating or Internet piracy.
   b. Students may not download or install any files, software, or programs unless authorized by a school administrator or the technology administrator.
   c. Excessive use of the Internet may raise a reasonable suspicion that students are using the system in violation of policy and regulations. TMAPCHS complies with federal law requiring that school’s Internet safety policy include provisions for monitoring the online activity of minors.
   d. As noted earlier in this Agreement, TMAPCHS complies with federal law that requires the use of technology protection measures (i.e., filtering) to protect against access by adults and minors to visual depictions that are obscene, child pornography or—with respect to use of computer with Internet access by minors—harmful to minors.

V. School Equipment
   a. Students may not steal, borrow, remove, or switch any school equipment, including but not limited to information technology equipment.
   b. Students may not vandalize, destroy, break, or deface any school equipment or
furniture or personal property of students, faculty, staff or visitors—including but not limited to furniture and equipment located in or near the computer lab.

Rights and Expectations
1. Students should expect no privacy in the contents of personal files on the school server and records of online activity.
2. Student use of the Internet will be supervised and monitored. The school's monitoring of Internet usage may reveal activities students engage in using the Internet. Routine maintenance and monitoring may lead to discovery that students have violated this policy, the student disciplinary code, or the law. Individual user account searches will be conducted if there is reasonable suspicion that students have violated this policy or any other codes of conduct set forth by TMAPCHS. Investigations will be reasonable and related to the suspected violation.
3. Parents have the right to request to see the contents of their student's personal data files and other records on their student’s online activities by submitting a written request.
4. The school will cooperate fully with local, state, or federal officials in any investigation concerning or relating to any illegal activities conducted through the school’s Internet service.

Limitation of Liability
TMA will not guarantee that the functions or services provided through the school Internet service will be without error. The school will not be responsible for any damage students may suffer, including, but not limited to, loss of data, interruptions of service, or exposure to inappropriate material or people. The school is not responsible for the accuracy or quality of the information obtained through the Internet. The school will not be responsible for financial obligations arising through the use of the Internet. Parents can be held financially responsible for any harm that may result from intentional misuse of the Internet and/or school technology. Students may only use the Internet and school technology if their parent(s) have signed an Internet Acceptable Use Policy.

Student Laptop, Netbook, Tablet, E-reader Agreement
Students must read, understand and agree to abide by this policy before using the TMA laptops, netbooks, tablets, e-readers (e.g. Kindles), and other similar technologies. Abuse of this privilege will result in suspension of privileges.
1. Laptops, netbooks, tablets are available to TMA students for use within the classroom under adult supervision. No overnight use is allowed. Kindles may be assigned to students for overnight use on a case-by-case basis.
   a. If overnight use is granted, the student and his/her parent/guardian are fully responsible for the technology. Any damage, theft, misuse will be the responsibility of the student and his/her parent/ guardian. This may result in financial responsibility.
   b. If overnight use is granted, the student remains responsible for abiding by all provisions of this Agreement whether using the technology on-site or off-site.

Cameras, Video-Recording Devices, Sound-Recording Devices, and Other Similar Technologies
TMA may make available for student use technology equipment such as cameras, digital recorders, video cameras, sound-recording devices. The use of such technologies is a privilege not a right. Students must be responsible for the use of such technologies and follow the protocols below:

1. Students may only use the technology for school-related curriculum activities.
2. All such technology must be returned in the manner received. Students are responsible for the technology. Any damage, theft, or misuse of the technology is the student’s responsibility. Students (and their parents/guardians) may incur financial responsibility for lost or damaged technology.
3. Students may not record, capture, or film any content or material that is obscene, harms oneself or others, vulgar in content, pornographic, relates to bullying, harassing, abusive behaviors, sexting, or violates any other policies in this agreement.
4. Students may not use any recording devices to capture any audio or visual content without the permission of the person(s) being filmed or taped. Filming, photographing, or recording someone without his/her explicit permission is a violation of this policy.
5. Students in violation of this policy will not be allowed to access any school technology.
6. Students must abide by all other terms of this policy.

**Electronic Bullying, Harassing, and Threatening Behavior**

TMAPCHS outlines expectations for student behavior related to threatening, harassing, violence, and bullying in the Student Handbook. All aspects of such policies apply to technology use. Students may not use any TMA technology to engage in actions or behaviors consistent with threats, bullying, harassing or violence. Any such actions will result in the suspension and possible termination of technology use by the student and be referred to the Dean as a Category III violation. Violations of harassment, cyber-bullying, threatening behavior may be in the form of language, audio, or visual images.

**Harassment** is defined as verbal, nonverbal, and physical conduct that substantially interferes with a student’s education or creates an intimidating or hostile environment. This includes, but is not limited to, harassment based on race, color, religion, national origin, sex, age, marital status, personal appearance, sexual orientation, family responsibilities, matriculation, political affiliation, disability, source of income, or place of residence or business.

Appendix D: Anti-Bullying Policy

THURGOOD MARSHALL ACADEMY
ANTI-BULLYING POLICY
OBJECTIVES AND PURPOSE
A key responsibility of Thurgood Marshall Academy is to provide educational services in a respectful and positive environment. Acts of bullying, harassment and intimidation are an attack on Thurgood Marshall Academy’s values. Thurgood Marshall Academy has established this comprehensive bullying prevention policy. This policy protects the dignity and safety of the Thurgood Marshall Academy students, faculty, staff, and volunteers. Thurgood Marshall Academy will promptly report and investigate all incidents of bullying, harassment and intimidation and provide appropriate remedies for victims of an incident.

This policy serves as Thurgood Marshall Academy’s bullying prevention plan.

DEFINITIONS
Thurgood Marshall Academy defines bullying as any severe, pervasive, or persistent act or conduct whether physical, electronic, or verbal that may be based on a youth’s actual or perceived race, color, ethnicity, religion, national origin, sex, age, marital status, personal appearance, sexual orientation, gender identity or expression, intellectual ability, familial status, family responsibilities, matriculation, political affiliation, genetic information, disability, source of income, status as a victim of an interfamilial offense, place or residence or business, or any other distinguishing characteristic, or on a youth’s association with a person, or group with any person, with one or more of the actual or perceived foregoing characteristics; and can reasonably be predicted to:

- Place the youth in reasonable fear of physical harm to their person or property;
- Cause a substantial detrimental effect on the youth’s physical or mental health;
- Substantially interfere with the youth’s academic performance or attendance; or
- Substantially interfere with the youth’s ability to participate in or benefit from the services, activities, or privileges provided by an agency, educational institution, or grantee.

PROHIBITION AGAINST BULLYING
Acts of bullying, including cyberbullying, whether by youth, volunteers or staff, are prohibited: On Thurgood Marshall Academy grounds and immediately adjacent property, at Thurgood Marshall Academy-sponsored or related events on and off Thurgood Marshall Academy grounds, on any vehicle used for Thurgood Marshall Academy business, at any transit stop at which youth wait to be transported to Thurgood Marshall Academy or any school related event, or through the use of any electronic devices owned by Thurgood Marshall Academy leased by Thurgood Marshall Academy or used for Thurgood Marshall Academy business; and at a location or function unrelated to the Thurgood Marshall Academy, through the use of any...
electronic devices, including those not owned or leased by Thurgood Marshall Academy, if the acts of bullying or cyberbullying create a hostile environment at the school for the victim or witnesses, infringe on their rights at Thurgood Marshall Academy, or materially and substantially disrupt the orderly operation of Thurgood Marshall Academy.

Retaliation against a youth, volunteer or staff member who reports bullying, provides information about an act of bullying, or witnesses an act of bullying is also prohibited.

**Publication and Contact Information**

This policy will be made available on Thurgood Marshall Academy’s website and student handbook. The policy, and age appropriate versions thereof, will be distributed to youth and parents of youth in contact with Thurgood Marshall Academy annually in the Student Handbook. Thurgood Marshall Academy will emphasize that the policy applies to participation in functions sponsored by Thurgood Marshall Academy.

Thurgood Marshall Academy’s Director of Student Affairs is responsible for coordinating the school’s bullying prevention efforts. All questions, comments and concerns about the bullying policy and Thurgood Marshall Academy’s prevention efforts should be able to be directed to the Director of Student Affairs via email as designated by the school’s staff list.

**Primary Prevention Strategies**

**Code of Conduct**

Thurgood Marshall Academy expects students to behave in a way that supports the school’s objective to provide a safe and welcoming environment for other students, Thurgood Marshall Academy faculty and staff, and community members. Students who are part of the Thurgood Marshall Academy community are expected to follow the code of conduct in the Student Handbook. Further, students should:

- Treat all members of the Thurgood Marshall Academy community with respect;
● Respect the property of Thurgood Marshall Academy, its staff, and other youth connected to Thurgood Marshall Academy;
● Respond appropriately to instructions from Thurgood Marshall Academy faculty and staff.

**Reporting Incidents of Bullying or Retaliation (DC Code § 2-1535.03(B)(6))**
Thurgood Marshall Academy expects all faculty, staff members and volunteers to report incidents of bullying or retaliation they witness or are made aware of. Faculty and staff members should immediately report all such incidents to the Director of Student Affairs or designated grade level Dean who will create a written report of a bullying incident and include the incident in Thurgood Marshall Academy reports of bullying incidents to the citywide coordinator.

Youth, parents, guardians, and community members are encouraged by Thurgood Marshall Academy to report any incidents of bullying that they witness or become aware of. Reports of bullying may be made to the:

Director of Student Affairs
Attn: Stacey Stewart
sstewart@tmacphs.org
(202)563-6862
2427 MLK Jr. Ave, SE
Washington DC, 20020

Reports of bullying by youth, parents, guardians and community members may be made anonymously, but disciplinary action cannot be taken by Thurgood Marshall Academy solely on the basis of an anonymous report, though such a report may trigger an investigation that will provide actionable information. All oral reports received as part of this process will be transcribed into writing and included in Thurgood Marshall Academy’s bullying database.

Thurgood Marshall Academy will ensure information about reporting is communicated to youth connected to Thurgood Marshall Academy in an age appropriate manner. Information on how to report incidents of bullying will also be included as appropriate in the Student Handbook. The Director of Student Affairs is available to assist in reporting incidents of bullying and can be reached at:

Thurgood Marshall Academy Public Charter High School- Updated July 12, 2019

Reports of bullying not received by Director of Student Affairs will be transmitted to them and within two business days of their receipt or creation by the staff member who reported the initial incident.

**RETALIATION**

Any employee, volunteer, or youth who promptly and in good faith reports an incident of, or information on, bullying in compliance with the policy of the agency, educational institution, or grantee shall be immune from a cause of action for damages arising from the report.

The school will follow its Personnel Policy regarding consequences for retaliatory behaviors.

**INVESTIGATING INCIDENTS OF BULLYING (DC CODE § 2-1535.03(b)(7))**

Prior to the investigation of an incident, the Director of Student Affairs or grade level Dean will take steps to ensure the safety of the alleged victim referenced in a reported bullying incident. These steps will be designed to restore a sense of safety to the victim and to protect them from further incidents if necessary. Examples of such steps taken include designating a staff member to serve as that alleged victim’s “safe” person, altering the alleged bully/bullies’ seating or schedule to reduce access to the alleged victim or creating a safety plan in consultation with the alleged victim. Once an investigation is concluded, further steps will be taken as needed to assure the continued safety of the victim from additional incidents of bullying or retaliation.

Once a report of bullying has been received by an agency, the following groups will be notified as needed by the Director of Student Affairs so long as, in the absence of legal imperative, the parent or guardian’s written consent is obtained prior to notification. In all cases the Director of Student Affairs will determine what information will be shared.

**Parents and guardians:** Thurgood Marshall Academy will notify the parents or guardians of victims, bullies, and if appropriate, witnesses to an incident of bullying behavior about the nature of the incident and the procedures and steps in place for responding to it. The Director of Student Affairs will determine if parents or guardians should be informed prior to or after the investigation of an incident.

**Schools:** Thurgood Marshall Academy will notify the schools of all victims and bullies in an incident of bullying to ensure that youth are not victimized across agencies and that comprehensive service and protection can be provided to bullies and victims.

**Law enforcement agencies:** If Thurgood Marshall Academy determines that the reported incident may involve criminal activity or the basis for criminal charges, information about the incident must be conveyed to the appropriate law enforcement authorities. As part of making this determination the Director of Student Affairs may wish to consult with either a law enforcement officer or legal counsel.
Thurgood Marshall Academy will notify these groups of incidents of bullying only to the extent allowed by law. Notification will be undertaken solely to ensure that services are provided to victims and bullies and to protect victims from further or sustained victimization. Thurgood Marshall Academy will make every effort to protect the confidentiality of those who report bullying incidents.

The Director of Student Affairs is responsible for investigating reports of bullying and can be reached at (202)563-6862, sstewart@tmapchs.org. An investigation of an incident will be initiated no more than one day after the Director of Student Affairs receives a report of bullying and will conclude no later than 30 days after the receipt of such a report. As part of the investigation the Director of Student Affairs, or his/her designee, will interview any involved or relevant parties including alleged victims, bullies, witnesses, staff, parents or guardians, to the extent possible.

The Director of Student Affairs will provide confidentiality as far as possible to relevant parties as part of the investigation, and inform all relevant parties that retaliation for reporting acts of bullying is prohibited. Written records of the investigation process should be maintained and may be included in the prevention database to generate a more accurate picture of bullying behaviors at the school. Where necessary, provisions will be made to include the advice of legal counsel.

In investigating an incident of bullying, the Director of Student Affairs will seek to ensure that the reported incident is one of victimization, a sign of bullying, rather than of conflict. Thus when investigating a reported incident the Director of Student Affairs will attempt to determine, through interviewing the victim, what mechanisms the victim had and has access to for halting the incident that occurred, and preventing future such instances. If the victim reports a few or no mechanisms for ending the incident or constructively dealing with future instances, that information will serve as compelling, though not conclusive evidence that the reported incident was an incident of bullying.

The Director of Student Affairs, or his/her designee, is charged with making determinations as to whether a reported incident constitutes a case of bullying. These determinations will be made in consideration of the totality of the facts and the circumstances surrounding the incident. If the Director of Student Affairs, or his/her designee, determines that an incident of bullying has occurred, they should take the response steps enumerated in Thurgood Marshall Academy’s prevention plan to prevent the recurrence of an incident and restore the safety of a victim.

If the Director of Student Affairs, or his/her designee determines that additional support is needed to conduct a thorough and equitable investigation they will contact the citywide prevention coordinator.

**CONSEQUENCES OF BULLYING**

Thurgood Marshall Academy recognizes that for sanctions to be an effective component of a
bullying prevention plan, they must be applied consistently, fairly, and equitably. To this end, Thurgood Marshall Academy shall ensure that faculty and staff follow these guidelines as closely as possible, while allowing for flexibility to adapt sanctions to individual contexts. Furthermore, to ensure equitability in applying sanctions, measures will be applied on a graduated basis determined by the nature of the offense, the disciplinary history of the student involved, and the age and developmental status of the student involved.

Responses to incidents of bullying may include, but are not limited to any student who is found in violation of the school’s Code of Conduct regarding bullying will be subject to disciplinary action. All acts of bullying are considered Category III, as per the schools’ Code of Conduct - violations and consequences may include:

- Ban on participation in specific school sanctioned activity
- Out-of-school suspension
- Expulsion

Sanctions will be applied within two business days of the determination that an incident of bullying has occurred, unless an appeal of the incident by the bully has been received in that time as described in the Appeals section of this policy. To ensure that single incidents of bullying do not become recurring problems, Thurgood Marshall Academy will always refer victims and bullies involved in an incident to services in addition to imposing sanctions on bullies.

Thurgood Marshall Academy shall communicate to youth in contact with Thurgood Marshall Academy, the consequences that youth can expect for participating in bullying behavior.

APPEALS

Parties dissatisfied by the outcome of a bullying investigation may appeal the determination of the Director of Students Affairs to the Executive Director of Thurgood Marshall Academy. This appeal should be submitted in writing no later than 30 days after the initial determination. Upon receipt of an appeal, the Executive Director must conduct a secondary investigation within 30 business days of the receipt of an appeal. This 30 days may be extended by up to an additional 15 business days if the Executive director sets forth in writing the reasons why more time is needed to conduct an investigation. Additionally, upon the receipt of an appeal, the Executive Director must inform the party making the submission of their ability to seek additional redress under the DC Human Rights Act.

PART 1—GENERAL EVACUATION PROCEDURES

INTRODUCTION

The purpose of this Fire Procedures & Evacuation Plan is to provide protection to students, staff, and visitors by relocating them to a safe location in the event of an emergency such as a fire or bomb threat. It provides an explanation of Evacuation Diagrams that are posted in each room of the building. These diagrams show where all building occupants are to go in the event of an emergency evacuation.

The most important component to any Evacuation Plan is a trained and well-prepared building population. To that end, we will practice this emergency evacuation plan regularly. All staff members have a role to play in the safe management of a crisis. Please learn your duties so that you can perform your role as expected.

Please note the following:

● This is a living document and subject to change and amendment—you are responsible for reviewing and following subsequent versions or memos that amend this plan.

● This manual constitutes part of an ongoing initiative to implement the DC Charter School Emergency Response Plan; you can learn more about this comprehensive plan by contacting us.

● Your feedback is welcome and will help improve emergency preparedness at Thurgood Marshall Academy—please send observations or ideas to me via e-mail.

Thank you for your participation in this critically important effort!

Assistant Director of Operations
SECTION 1: EVACUATION PROCEDURES

General Instructions
In the construction and renovation of the Thurgood Marshall Academy building, modern methods and materials were used to assure a safe environment for its student, staff, and visitors:

- In addition to incorporating fire resistant materials to inhibit the spread of fire, the building is protected by state-of-the-art systems to detect the presence of fire and minimize the spread of smoke. Smoke detectors within the building will sound automatically. This alarm will indicate the need to evacuate immediately but in an orderly fashion. Simultaneously, an alarm message is transmitted to a remote monitoring station that will notify the District of Columbia Fire Department.
- There is a sprinkler system to minimize property damage.
- Fire Alarm Pull Stations are located at the entrance of each stairwell, in the front office, at the security desk, and at the front entrance. Please familiarize yourself with the Pull Station closest to your classroom or office.
- Fire extinguishers are accessible near stairways, in kitchens, and in labs—note, however, that fire extinguishers are designed to fight only small fires.
- Fire Alarm Pull Stations and fire extinguishers cabinets in public areas have tamper-deterrent alarms—if you hear a localized, high-pitched, continuous tone, please investigate and discipline students found tampering with safety equipment. The tamper-deterrent alarm can be silenced by replacing the cover/door. In case of an actual incident, note that the tamper-deterrent is a local alarm and does not evacuate the building or summon the fire department.

In most instances, when a fire alarm sounds the Fire Department will arrive at the building within five to eight minutes of notification. By the time the Fire Department arrives, all occupants of the building must be safely evacuated to Designated Assembly Areas:

- Assembly Area #1 is on the sidewalk along the Howard Road fence. Evacuees are to form a single line along the fence if possible. Please note that this location is narrow and next to a busy road.

- Assembly Area #2 is on the sidewalk, along Martin Luther King, Jr. Avenue in the first block between the Thurgood Marshall Academy and Talbert Street. Do not cross Talbert Street.

In both assembly areas, students should form single-file lines (to the greatest degree possible) and remain calm and quiet. This is important not only to maintain order, but also to ensure that information can be communicated quickly and clearly. Teachers and staff must both foster and model calm and quiet evacuation.

Please refer to Appendix D: Exterior Assembly Areas.

Thurgood Marshall Academy Public Charter High School- Updated July 12, 2019

Each room in the building has an Emergency Evacuation Diagram posted near the door. In advance, all staff and faculty are to familiarize themselves with the Primary Exit Route for their location and the Secondary Exit Route which is to be used if the Primary Route is obstructed. Each Emergency Evacuation Diagram directs evacuees to one of two Assembly Areas as cited above. Note that routes neither lead out of nor cross in front of the main door, which is reserved for first responders.

Please review Appendix C: Sample Evacuation Diagram. This diagram is an illustration of Primary and Secondary Evacuation Routes terminating in one of two Assembly Areas.

Reporting An Incident/Threat
Never hesitate to report an incident.

- If you recognize an immediate threat to life or limb (e.g., you see a fire), pull a pull box handle (this sounds the alarm and automatically notifies the fire department);
  Activating the school’s fire alarm requires two steps:
  1. Remove the clear plastic cover—an alarm will sound only from the plastic cover; this is a tamper deterrent, not the alarm;
  2. Pull the handle on the red pull station—alarms and strobes will sound throughout the building—this is the fire alarm that evacuates the building and alerts the fire department.
- If you suspect a hazardous situation (e.g., you think you smell smoke or see a suspicious person),
  - call security at extension 116
  - call the Security Site Manager, on her cell phone
  - in the unlikely event that both lines are busy, call the main office at x100
  - call the Assistant Director of Operations at 181 or on her cell phone
- In the unlikely event you receive a threat (e.g., bomb threat)
  - remain calm;
  - note the caller ID phone number, if possible;
  - notify security at extension 116 immediately;
  - do not pull the fire alarm—security will manage evacuation of the building, if necessary; and/or
  - turn written threats over to security immediately.

Announcement of Evacuation
Evacuations for fire incidents will always be announced via the activation of the fire alarm system, which consists of an audible alarm and strobe lights. In the case of a bomb threat or in the unlikely event that the alarm system is out of service, evacuation will be announced by security guards and/or school leaders. Unless otherwise indicated via announcement by (a) the telephone/cell phone, (b) security guards, or (c) DC emergency personnel, the complete building is to be evacuated whenever the alarm system activates or an evacuation is ordered.
When an evacuation is announced or an alarm is sounded, all staff and students are to evacuate the building in a calm and orderly manner. Staff and faculty who have students in their charge are to direct and lead students out of the building to the assembly area on the evacuation map in their room. Once out of the building, they should proceed to the assembly area and help ensure that students form a single-file line and remain calm and quiet. In some cases evacuation leaders may lead occupants to a location other than the assembly areas if they determine that other location is safer or more appropriate.

**Sequence of Events**
The following describes the sequence of events during an evacuation.

The **Person In Charge** will be stationed on the front walk of the building where she or he will act as liaison with District of Columbia emergency personnel. S/he will be assisted by **Gate Monitor(s)** who helps guide students to the correct routes and a **Staff Attendance Monitor** who accounts for Non-Teaching Staff. Once all possible danger is removed, DC emergency personnel will inform the Person In Charge, who will in turn communicate with staff that they may reenter the building. The Person In Charge works with the **Attendance Monitors** and **Assembly Area Supervisors** to account for all students and staff. If a person is not accounted for, the Person In Charge will call the **Evacuation Supervisor, Floor Captains**, and/or the other Assembly Area Supervisor with names and descriptions of those not present for Assembly Area attendance.

The **Evacuation Supervisor** is to move throughout the building as needed to supervise evacuation and the operation of any equipment that must be operated prior to evacuation. This person will manage the emergency evacuation by coordinating the duties of all Emergency Team members.

**Floor Captains** will report to their assigned floors. They will aid in the calm and organized evacuation of staff, students, and visitors. They search for missing persons and communicate with Stair Monitors assigned to their floor. Once a floor is clear, the Floor Captain must dismiss the Stair Monitors by verbally informing them, “You are released, please evacuate.”

**Stair Monitors** will go to their assigned stairway landings. They will direct evacuees to the closest stairway and will assure that there is no running or pushing in the stairwells. As soon as the Floor Captains release the Stair Monitors, they immediate leave the building, go to an assembly area, and assist in maintaining a calm, quite environment among students.

Two **Assembly Area Supervisors** will be stationed outside the building. One monitor is assigned to Assembly Area #1, the other is assigned to Assembly Area #2. They are to direct evacuees to Assembly Areas. Assembly Area Supervisors work with **Attendance Monitors** to canvas Teachers for student attendance information. If a student is determined to be missing, the Assembly Area Supervisor is to immediately contact the Person In Charge by phone giving the name of the student, a brief description, and the student’s last known location.
When an alarm sounds, Teachers (including for the purposes of this plan any staff members with students under their supervision) shall:

1) Get their attendance sheet, grade book, or other method by which they keep track of students and keep it with them throughout the evacuation

2) Lead students in evacuating the building in a quiet, calm, single file line

3) Follow the primary evacuation route indicated on the map in the room occupied at the time of evacuation (or the secondary route if the primary route is blocked)—this route will take the class to one of the two assembly areas without requiring the class to cross in front of the building

4) Upon leaving the building, each Teacher will be handed a folder from a staff member stationed at the exits—all folders are identical and contain
   a. OK signs
   b. Help signs
   c. Supplies (which may include paper, pens, and detention slips)

5) Upon reaching the Assembly Area, classes will line up in single file in the order in which they evacuated or whatever logical order presents itself
   a. The Teacher must keep his or her class together and not allow it to mingle with other classes
   b. Assembly Areas may require two or more lines near one another, but students should remain with their class in a calm, quiet line

6) After lining up, the Teacher will quickly and carefully take attendance and find the appropriate sign (see below) in the folder; hold up one of the signs and keep it visible until told by the Assembly Area Supervisor that it can be put away
   a. If all students are present and in good health, hold up the OK sign
   b. If a student is missing or ill, hold up the Help sign
   c. If a student was present but pulled out of class hold up a Help sign (exception—hold up an OK sign if a student was sent to ISS and all other students are present and in good health, as ISS maintains a roster)

7) Teachers on planning periods or otherwise without students should still pick up a folder, go to an Assembly Area, and display an “OK” sign (unless they themselves need help, they have undertaken supervision of a student, or otherwise need the attention of the Attendance Monitor/Assembly Area Supervisor); they should assist those supervising students in keeping order.

8) Students in the care of service providers or student support staff—including but not limited to counselors, special education pull out sessions, or visiting education specialists—will stay with the support provider; they should report to the Assembly Area Supervisor or Attendance Monitor in the Assembly Area to which they evacuate.

9) Attendance Monitors will record responses to the OK/HELP signs and send help if needed.

10) When the “All Clear” is sounded, Teachers should return the signs to the folders and return the folders as they re-enter the building

Non-Teaching Staff members are those neither in charge of students at any time nor assigned an Emergency Team role. They should leave the building as soon as an evacuation is

announced, assisting Teachers in maintaining quiet, calm, single-file lines of students. Non-Teaching Staff should follow the evacuation route from the area in which they are working when an alarm sounds to the Assembly Area indicated on the evacuation map, checking in with the Staff Attendance Monitor along the way, and help Teachers maintain order.

When students and teachers begin to return to the building, Non-Teaching Staff and Teachers without students to supervise should stand at wide intervals along the route to assist in an orderly process.

**SECTION 2: EMERGENCY TEAM ROLES & RESPONSIBILITIES**

Please refer to the following appendices at the end of this manual:

- Appendix A: Evacuation Flow Chart
- Appendix B: Duty Locations
- Appendix C: Sample Evacuation Diagram
- Appendix D: Exterior Assembly Area Map

If you have any questions about your role or emergency incidents in general, contact the persons designated as Person In Charge or Evacuation Supervisor in Appendix A: Evacuation Flow Chart.

**Coordination**

The **Person In Charge** has the overall responsibility for supervising the implementation of this plan. The Person In Charge decides whether an evacuation is to be ordered (usually in concert with other school leaders). This person is the main point-of-contact with DC emergency personnel and is responsible for declaring whether the building is safe for re-entry. The Person In Charge coordinates efforts by other Emergency Team members to account for all persons in the building at the time the evacuation was announced. The Attendance Monitors report to Assembly Area Supervisors who report to the Person In Charge. If an Assembly Area Supervisor reports that a student is missing, the Person In Charge will call the Evacuation Supervisor and the other Assembly Area Supervisor who will organize a search for that specific student in their respective areas.

**Note:** The Person In Charge and other roles involved in evacuation of the interior of the building cannot be occupied by teachers.

**Evacuation of the Interior of the Building**

**Evacuation Supervisor** reports to the Person In Charge. This person directs and coordinates all evacuation activities. Floor Captains report to and remain in contact with the Evacuation Supervisor.
Floor Captains report to the Evacuation Supervisor. When person-power permits, there is one Floor Captain assigned to each of the three floors in the building; otherwise, Floor Captains move throughout the building. Floor Captains are to provide guidance in the orderly evacuation of all persons. They search the floor entering each room to confirm that all persons have evacuated the floor. They also coordinate the activity of Stair Monitors assigned to their floor. Floor Captains will report the complete evacuation of their floor to the Evacuation Supervisor. If safe to do so, they remain on the floor until told by the Evacuation Supervisor, “You are released—please evacuate.” Until this time, they stand by to search for anyone not accounted for at the Assembly Areas, reporting back to the Evacuation Supervisor the results of their search. Once released, they exit the building and take up position with the Person In Charge. Similarly, Floor Captains must inform Stair Monitors at the point when the Stair Monitors should evacuate.

Stair Monitors report to Floor Captains. When person-power permits, there is one Stair Monitor per landing on each of two staircases per floor—one at the front of the building and one in the back. Please refer to Appendix B: Duty Locations. There is also one Stair Monitor stationed in the courtyard. Stair Monitors are to assure that staff, students and visitors are directed to the closest staircase and that stairs are used safely.

Gate Monitors(s) and the Staff Attendance Monitor stand in front of the building with the Person In Charge. The Gate Monitor(s) ensure that no class crosses in front of the front entrance and that classes stay together. The Staff Attendance Monitor accounts for Non-Teaching Staff.

Assembly Areas
Assembly Area Supervisors report to the Person In Charge and communicate with the Attendance Monitors. There is to be one Assembly Area Supervisor assigned to each of the two Assembly Areas. Please see Appendix D: Exterior Assembly Area Map. Assembly Area Supervisors guide evacuees to their respective Assembly Areas. As soon as possible, Assembly Area Supervisors will work with Attendance Monitors to canvas Teachers for attendance results. If it is determined that a student is missing, Assembly Area Supervisors will work with the Attendance Monitor to confirm that the student was present in the building, then will contact the Person In Charge with the name, description and last known location of the missing student. The Person In Charge will in turn call the Evacuation Supervisor this information.

The Attendance Monitors report to the Assembly Area Supervisors but may be queried directly by the Person In Charge. They are responsible for (1) bringing the current day’s attendance to the Assembly Areas and (2) working with the Assembly Area Supervisors to account for all students and staff.

Teachers report to Assembly Area Supervisors. Any staff member supervising students at the time of an incident is treated as a Teacher for purposes of evacuation. Teachers are to guide students out of the building by the evacuation route provided on the Evacuation Diagram posted near the door of each room. Once their student group is safely evacuated to an Assembly Area, Teachers are to take attendance for their group by referring to their classroom grade book/roster.
If a student is determined to be missing, Teachers are to immediately notify their Assembly Area Supervisor.

Non-Teaching Staff are staff not supervising students at the time of an evacuation. Non-Teaching Staff first go to the Staff Attendance Monitor at the front gate and check in quickly. They then immediately evacuate to one of the two assembly areas and assist Teachers in maintaining a calm evacuation. They should refrain from assisting in attendance gathering efforts unless it is clear a Teacher is unable to do so (e.g., due to incapacitation). If appropriate, Non-Teaching Staff may talk quietly with visitors, but when doing so they should ensure that they have been accounted for by the Staff Attendance Monitor.

Students must be instructed to remain calm and quiet, in a single-file line (to the extent possible) and to follow instructions. Students at lunch should be accompanied to the appropriate assembly area by the lunchroom supervisors.

SECTION 3: SAFE EVACUATION OF PERSONS WITH DISABILITIES

Visitors With Disabilities
If persons with disabilities are in the building at the time of an evacuation, the Floor Captain and Stair Monitor will guide them to room designated as the Area Of Refuge for the floor. The Stair Monitor and disabled people will shelter-in-place in this Area Of Refuge until either the Floor Captain summons assistance or the incident is cleared. In the event that the incident is a drill, the Evacuation Supervisor will inform the Floor Captain, who will advise the disabled person of the drill and the fact that assistance in exiting the building would have been provided in an actual emergency.

Students and Staff With Disabilities That Affect Evacuation
Just as the school is committed to meeting the educational requirements of students with physically disabilities, Thurgood Marshall Academy is committed to developing individualized plans to evacuate students and/or staff members with disabilities that hamper their ability to evacuate during an emergency event. Every staff member and student with a disability who would be adversely affected during an evacuation will have a Plan for Emergency Evacuation of an Individual (PEEI). Specifics of plans will vary. Procedures for developing a PEEI are available from the Chief Operating Officer, who will lead the effort to develop PEEIs as the need arises. Should students or staff with disabilities that affect evacuation participate in programming at the school while their PEEIs are under development, follow the procedures described above for visitors.

Note that any staff members with a disability that might affect their ability to either evacuate safely or supervise students during an evacuation (e.g., persons adversely affected by strobe
lights used in the fire alarm system) should report their needs confidentially and in writing to the Chief Operating Officer.

**SECTION 4: EVACUATIONS OUTSIDE OF CLASS TIME**

**Near-Class-Time Evacuations**
A “Near-Class-Time Evacuation” is a need to evacuate the building—announced in most cases via the fire alarm—that occurs during a passing period, a lunch period, an assembly, or at another time in close proximity to class. (A “Far-From-Class-Time Evacuation” is one before school or during an evening or weekend activity.)

*All faculty and staff must treat every alarm/evacuation as an actual incident.* Remember that the building is relatively large, that fire and other threats may not be immediately visible, and that they can spread rapidly—remain calm, but *never assume that an alarm constitutes a drill or a “false alarm.”*

The goal of a Near-Class-Time Evacuation—as in all evacuations—is for all occupants to exit the building as quickly, calmly, and safely as possible, and to account for all occupants. Accounting for occupants must take place outside the building, and one should rarely-if-ever delay rapid evacuation from the building.

**Evacuation**
In the event of an evacuation near class time, procedures are as follows:

1) The evacuation follows the procedures that take place during a “normal” evacuation as closely as possible.

2) As in any evacuation, when exiting the building all occupants should leave through the nearest exit (as designated on evacuation maps or indicated via exit signs), then proceed to the nearest assembly area.

3) Occupants in the cafeteria should all exit toward the MLK Ave. assembly area by going up the stairs leading to the “gym” exit door.

4) Faculty and staff assume the same roles as during a class-time incident—as reviewed below.

5) The only staff who should remain in the building are those with roles clearing the building (spelled out in the Evacuation Procedures section and reviewed here)—all others should evacuate immediately:
   a. The **Building Engineer** and **Security** (who occupy the roles of **Evacuation Supervisor** and **Floor Captains**) will canvas the building and ensure that everyone evacuates.
   b. **Security will also locate** disabled students (if any) requiring assistance evacuating, and supervising their evacuation. Security staff members will use their judgment regarding whether these students should evacuate or hold-in-place...
in a safe area inside the building until first responders effect a rescue. If students stay in the building, a security guard will remain with them and stay in communication with the Person In Charge.

c. **Staff members designated as Stair Monitors** in the Evacuation Plan Appendix A Flow Chart remain in the building and maintain order among students as they exit the building. They exit the building as soon as all students leave.

6) **Staff with logistical roles in the drill report to their stations as soon as an evacuation begins:**

   a. **Nora Moore** will serve as the *Person In Charge*, with Raymond Weeden and then Abdullah Zaki serving as substitutes if Ms. Moore is not available; all three proceed to the front gate when an evacuation begins.

   b. **Zabrina Ames** reports to the front gate with, respectively, the evacuation folders to serve as *Gatekeeper* and the staff roster to serve as the *Staff Attendance Monitor*; during the incident they cooperate to account for all faculty/staff/contractors.

   c. **Byron Johnson, Stacey Stewart, Keisha Hutchinson, and Renee Short** report to their respective assembly area, serving as *Assembly Area and Attendance* supervisors as during a class-time evacuation. The 9th-grade Dean goes to whichever Assembly Area appears to need assistance.

7) **Non-teaching Staff** without assigned duties in the Evacuation Plan exit the building immediately and form a loose “chain” of staff along MLK and Howard Road, assisting in keeping order; this is the procedure for all evacuation but is particular important during a Near-Class-Time Evacuation when students are not in class groups.

8) **Teachers:**

   a. Evacuate immediately;

   b. If possible, take with them attendance materials, but should not unduly delay their exit from the building to do so (e.g., if they are far from their office/classroom, they should not attempt to “wade” through the evacuating students/staff to retrieve attendance materials);

   c. As they exit, assist with maintaining order among students;

   d. Report to the nearest assembly area;

   e. Arrange themselves in alphabetical order by last name, with names beginning with “A” closest to the building.

**Accountability**

Once at the Assembly area:

- Students report to the teacher who taught *the last class the student attended prior to the evacuation*.

- Each assembly area will have a set of period-by-period rosters (alphabetical by teacher) that will be used to assist the process of accounting for students.

- Teachers account for students based on class rosters from the last period before the evacuation.

- Any “extra” students will be accompanied to the front of the assembly area and placed in the care of the Assembly or Attendance Supervisor who will coordinate attendance with
the other Assembly area; similarly, teachers report “missing” students to the Attendance Supervisors.

- Except in the unlikely event that the gym is also evacuating (or the school is taking shelter in the gym), students whose prior class was PE/Health will need to be escorted to the front of each assembly area where they will be supervised/accounted for by the Assembly Area supervisor or someone to whom the supervisor delegates that responsibility.

- No one—neither students, teachers, nor non-teaching staff—can leave the scene during an incident; everyone must remain on site and return to the building; only following the incident can parents sign students out, or can teachers/staff depart for scheduled appointments.

**All Clear**

Re-entry into the building at the conclusion of a Near-Class-Time Evacuation follows procedures similar (if not identical) to those in “normal” evacuations:

- No one should re-enter the building until the alarm is turned off and the “all clear” is announced (the school has procedures in place for shelter in the case of evacuations during inclement weather; the Person In Charge implements them).
- Operations cannot turn off the alarm until the DC Fire Department grants permission.
- Only the Person-In-Charge can announce the “all clear” and re-entry to the building.
- Once the “all clear” is announced, teaching staff await incident managers’ instructions in order to manage an orderly return to the building.
- Once the “all clear” is announced, non-teaching staff members maintain “chains” along MLK Ave. and Howard Road to the gate to assist in keeping order; they wait until all students/teachers have re-entered the building before returning themselves.

**Far-From-Class-Time Evacuations**

*Evacuation of Afterschool Programs is covered in Part 2, below. This section covers an evacuation that is both (i) well outside class time and (ii) not supervised by the Programs Department* (e.g., students returning from an evening game, a weekend study group, etc.).

Procedures are as follows:

1) Students accompany the staff or teachers supervising them to the Assembly Area indicated on the map in the room in which they are working.

2) All staff and teachers not supervising students go to the appropriate Assembly Area.

3) The Person In Charge and Evacuation Supervisor, assisted by security, make every effort to account for those in the building at the time of evacuation.

4) If no person designated in this plan as Person In Charge is on site at the time of the evacuation, the chain of command is:

   a. Security Supervisor
   b. Building Engineer
   c. Security Guard
   d. Any Thurgood Marshall Academy Employee
5) All staff, students, and visitors should take direction from whichever most-senior person on this list is on site.

6) Executive Director Raymond Weeden, Chief Operating Officer David Schlossman, and Assistant Director of Operations Nora Moore must all be notified of the incident.

SECTION 5: PROCEDURES FOR OTHER INCIDENTS

Lock-Down, Tornado, Earthquake, Hurricane, Communicable Disease & Other Emergencies
Teachers are trained no less than annually regarding lockdown (in case of active shooter/intruder/other imminent threats) and Hold-In-Place procedures, which are covered in a separate manual circulated only among Thurgood Marshall Academy staff and security contractors as well as DC first responders. These training and materials also cover (and the school maintains plans to respond to) a variety of other emergencies, including tornados, earthquakes, hurricanes, and health emergencies/communicable diseases.

Hazardous Materials
Department heads are responsible for ensuring that employees in their department who must use hazardous materials in the course of their work (e.g., science teachers and cleaning staff) are trained in proper handling, emergency procedures, and disposal for the materials. The school maintains Material Safety Data Sheets and inventories.

Hazardous materials incidents must be reported immediately as described earlier in this manual and consistent with the training received by the staff member handling the materials (i.e., either call security or pull an alarm, depending upon the severity of the incident and the safety of a general evacuation in proximity to the hazard). In some cases, it may be more prudent to notify security rather than pull an alarm (security personnel, for instance, may initiate a shelter in place—in concert with administrators—rather than stage a full evacuation).
PART 2: EMERGENCY PREPAREDNESS PLAN FOR AFTERSCHOOL ACTIVITIES

This document provides emergency procedures for participants in Thurgood Marshall Academy’s Afterschool Programs Activities. It supplements the school’s Part 1: General Emergency Procedures and other emergency policies. Employees should note that, except as amended below, all existing policies and procedures remain in place after school as well as during the school day.

ROLES AFTER SCHOOL

Person in Charge ("PIC")—TMA Faculty/Staff member that is in charge of all of the activities that are going on. For example, typically during afterschool this would be the Director of Programs, Programs Manager, or Athletic Director. As soon as possible during or immediately following an Afterschool emergency the Person In Charge (or her/his delegate) should notify the Executive Director, Chief Operating Officer, and Assistant Director of Operations, providing as much detail as available.

TMA Staff/Faculty Advisors—members of TMA’s staff/faculty that are supervising/advising an afterschool activity.

Volunteer Club Advisors—outside volunteers running a club or activity and who are alone with students.

Volunteers—outside volunteers that are in programs that are supervised by TMA Staff/Faculty.

LOCKDOWN & OTHER EMERGENCIES AFTER SCHOOL

In the instance of a shooting/incident outside of school, follow these procedures:

- The Person in Charge should immediately alert adults in building by making an all-call on the intercom system that the school is in a lockdown (training on the all-call is available from the Assistant Director of Operations).
- PIC, all TMA Staff/Faculty Advisors and Volunteer Club Advisors move all students into classrooms with an adult and lock the door. Make sure students are away from windows and the door. If working near the building entrance, move students into rooms 101 or 103 if available. Move Volunteers along with students.
- Have adult in each room make a list of all students that are in the room.

Thurgood Marshall Academy Public Charter High School- Updated July 12, 2019
135
• Hold students in room until the Metropolitan Police Department (“MPD”) releases lockdown. Do not end lock-down before MPD has given the formal “all clear.”
• Once lockdown is over, the PIC will coordinate sending a letter home through Connect Ed to all parents explaining the event and if there were any injuries. Seek approval of the message from the Executive Director if possible, but communicate promptly. Communicate facts only; avoid speculation.
• After school staff should similarly adapt school-day training for other hazards.

**MEDICAL EMERGENCY AFTER SCHOOL**

• If someone is injured or seriously ill, the Person In Charge determines whether an ambulance is needed and, if so, assigns one person to call 911; that person makes the call and stays on the line until told to hang up by the emergency dispatcher. (An ambulance should be called unless clearly unnecessary.)
• The Person In Charge assigns a specific person to wait outside the school and guide EMTs to the person who is ill.
• Secure the student/adult who is having the emergency—the Person In Charge determines steps that need to be taken on a case by case basis but this usually entails ensuring that immediate needs (e.g., first aid) are met, that first responders are notified, and that the injured person’s privacy is protected as much as possible (e.g., by moving students to another room). Perform first aid if necessary and only if trained.
• Hold all students in classrooms/library, etc. The Person In Charge will have someone walk around to each class to inform Advisors to hold students until further notice.
• Once injured/ill person is secure and 911 has been called, collect medical information from/about the ill person to the degree possible. In the case on an injured student, have an adult print the student’s profile from FAWEB, get her/his medical file from the Nurse’s office, and get the student’s Emergency Contact sheet from Main Office. Give these records to first responders (EMT, paramedic, DCFD, etc.) as soon as they arrive.
• Call Emergency Contact listed for student, or—in the case of an ill adult, the person they designated as their contact. If first contact does not answer, go down the list until you reach someone.
• If the person is under 18, someone must ride with him or her in the ambulance to the hospital; the Person In Charge will assign the person who rides in the ambulance and exchange cell phone numbers with him/her.
• The Person In Charge will file an incident report once everyone has been taken care of.

**EVACUATION AFTER SCHOOL**
The following describes the sequence of events during an evacuation. The **Person In Charge** will be stationed on the front walk of the building where she or he will act as liaison with District of Columbia emergency personnel. Once an incident is resolved and they determine it is safe to occupy the building, DC emergency personnel will inform the **Person In Charge**, who will in turn communicate with staff that they may reenter the building. The **Person In Charge** works with the **TMA Staff/Faculty Advisors** and **Volunteer Club Advisors** to account for all students and staff.

When a fire alarm (bells and strobes) sounds, **TMA Faculty/Staff Advisors and Volunteer Club Advisors** shall:

1. Get their attendance sheet and keep it with them throughout the evacuation.
2. Lead students in evacuating the building in a quiet, calm, single file line.
3. Follow the primary evacuation route indicated on the map in the room occupied at the time of evacuation (or the secondary route if the primary route is blocked)—this route will take the students and Advisors to one of the two assembly areas without passing in front of the building.
4. Upon leaving the building, each **TMA Faculty/Staff Advisor and Volunteer Club Advisor** will be handed a folder from a staff member stationed at the exits—**all folders are identical** and contain
   a. OK signs
   b. Help signs
   c. Supplies (which may include paper, pens, and detention slips)
5. Upon reaching the Assembly Area, students and Advisors will line up in **single file in the order in which they evacuated** or whatever logical order presents itself.
   a. The **TMA Faculty/Staff Advisor and Volunteer Club Advisor** must keep his or her group together and not allow it to mingle with other groups.
   b. Assembly Areas may require two or more lines near one another, but students should remain with their class in a calm, quiet line.
6. After lining up, the **TMA Faculty/Staff Advisor and Volunteer Club Advisor** will quickly and carefully take attendance and find the appropriate sign (see below) in the folder; hold up one of the signs and keep it visible until told by the Person in Charge that it can be put away
7. **If all students in a are present and in good health, the Advisor holds up the OK sign**
8. **If a student/adult is missing or ill, hold up the Help sign**
9. **Advisors/Volunteers without students should still pick up a folder, go to an Assembly Area, and display an “OK” sign (unless they themselves need help, they have undertaken supervision of a student, or otherwise need the attention of the Assembly Area Supervisor);** they should assist those supervising students in keeping order.
10. **Students in the care of service providers or student support staff—including but not limited to counselors, special education pull out sessions, or visiting education specialists**—will stay with the support provider; they should report to the Assembly Area Supervisor in the Assembly Area to which they evacuate.

11. Person in Charge will record responses to the OK/HELP signs and send help if needed.
12. When the “All Clear” is sounded, TMA Faculty/Staff Advisor and Volunteer Club Advisor should return the signs to the folders and return the folders as they re-enter the building.

**RECORD KEEPING AFTER SCHOOL**

- In all types of incidents, the Person In Charge should assign a Record Keeper—a specific person the task of taking notes throughout the incident. This person should, as best circumstances will allow, record steps taken as much factual information as possible, including but not limited to
  - the names of those involved,
  - telephone numbers/contact information for victims, volunteers, school officials, students, first responders, etc., centrally involved in the incident
  - badge or ID numbers of first responders
  - events, their timing, and their location
  - next steps and their fulfillment (by way of example only—“Person in Charge stated that ill students’ parent would be called; PIC called parent at 7:00 pm”)

- The Record Keeper should pass on all notes to the Person In Charge before leaving the scene.

- The Person In Charge should use the notes to compile as complete an incident report as possible; a draft of the report should be shared with the Executive Director and the COO and filed with Security.

- When composing incident reports, make only factual statements:
  - Fact (right): Students and advisors returning from after school sports witnessed a man (not a TMA student, employee, or volunteer) fall on the school front steps and appear to lose consciousness.
  - Inference (unsuitable for incident report): Students and advisors returning from after school sports witnessed a drunk pass out on the front steps.

FERPA Notice to Families

The Family Educational Rights and Privacy Act (FERPA) affords parents and students over 18 years of age ("eligible students") certain rights with respect to the student's education records. These rights are as follows:

(1) The right to inspect and review the student's education records within 45 days of the day the School receives a request for access. Parents or eligible students should submit to the school principal or appropriate school official a written request that identifies the record(s) they wish to inspect. The School official will make arrangements for access and notify the parent or eligible student of the time and place where the records may be inspected.

(2) The right to request the amendment of the student’s education records that the parent or eligible student believes is inaccurate. Parents or eligible students may ask the School to amend a record that they believe is inaccurate. They should write the School principal or appropriate school official, clearly identify the part of the record they want changed, and specify why it is inaccurate. If the School decides not to amend the record as requested by the parent or eligible student, the School will notify the parent or eligible student of the decision and advise them of their right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the parent or eligible student when notified of the right to a hearing.

(3) The right to consent to disclosures of personally identifiable information contained in the student's education records, except to the extent that FERPA authorizes disclosure without consent.

One exception, which permits disclosure without consent, is disclosure to school officials with legitimate educational interests. A school official is a person employed by the School as an administrator, supervisor, instructor, or support staff member (including health or medical staff and law enforcement unit personnel); a person serving on the School Board; a person or

company with whom the School has contracted to perform a special task (such as an attorney, auditor, medical consultant, or therapist); or a parent or student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks.

A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility.

(4) The right to file a complaint with the U.S. Department of Education concerning alleged failures by the School District to comply with the requirements of FERPA. The name and address of the Office that administers FERPA are:

Release of Student Directory Information

To: All Parents and Adult Students (18 years of age and older)

The Family Educational Rights and Privacy Act (FERPA) is a federal law that requires Thurgood Marshall Academy Public Charter High School (TMA), with certain exceptions, to get your permission before disclosing personally identifiable information from education records. However, TMA may disclose basic “directory information” that is generally not considered harmful or an invasion of privacy without your consent. The primary purpose of directory information is to allow TMA to include this type of information in certain school publications such as pamphlets for drama productions, graduation programs, honor rolls or sports team activity sheets for football, basketball, etc. Directory information can also be disclosed to outside organizations such as federal and state agencies offering jobs and educational benefits, media sources, and companies that make class rings and publish yearbooks.

The information listed below has been designated as directory information under District of Columbia law and FERPA, and may therefore be released at the discretion of TMA. You have the right to opt out of sharing any information below and may instruct TMA that it may not release any or all of this information without obtaining your prior written consent by completing this form. Your decision on this form will be valid for the remainder of the current school year. A new Release of Student Directory Information form must be completed each school year.

Right to Opt Out of Release of Information to Military Recruiters
(Students in Grades 7-12 & ungraded Students Only)

Federal laws require that local education agencies (LEAs) such as TMA provide military recruiters, upon request, with the name, address, and telephone number of secondary students unless the student or parent/legal guardian has advised the LEA in writing that he/she does not want the student’s information disclosed without prior written consent. Such advisement must take place within 30 days of the notification of these rights by the school, and may be done by completing the form below:

- As a student who has reached the age of 18, I request that Thurgood Marshall Academy **not release** my directory information to the Armed Services, military recruiters, service academies or military schools.

- As a parent/legal guardian, I request that Thurgood Marshall Academy **not release** the directory information for the student indicated above to the Armed Services, military recruiters, service academies, or military schools.
